F or some reason, Toyota has flat-out refused to offer these fantastically reliable, fuel efficient vehicles in North America. As a result, we have become the only company world-wide offering OEM Turbo-Diesel conversions for the North American Toyota lineup. If you have ever longed for a factory Toyota turbo diesel offered overseas, you□ve come to the right place.

Starting in 1957 until 1988, Toyota established a separate dealership in Japan dedicated to cars and trucks installed with diesel engines, called Toyota Diesel Store. When the dealership was disbanded, diesel products are now available at all locations, with commercial products exclusive to Toyota Store and Toyopet Store locations.
