The Sketch was the first newspaper to publish the short stories of Agatha Christie, who wrote 49 stories for the paper between 1923 and 1924. The first of her works to appear in The Sketch was The Grey Cells of M. Poirot. I. - The Affair at the Victory Ball. Christie was already renowned for her novels, and was described as the creator of the most interesting detective since Sherlock Holmes.

The short life, however, is a genuine current in the mainstream of biographical literature and is represented in many ages and cultures.... One common variation of the sketch is the character sketch, a form of casual biography usually consisting of a series of anecdotes about a real or imaginary person. The sketch was introduced after the 16th century in response to growing middle-class interest in social realism and exotic and foreign lands.
