After Math is one of those books that surprises you at ever turn. I was not expecting to love it as much as I did and it's a testament to the talent of Denise Grover Swank. I don't think there is a genre she can't write. After Math is a new adult romance that does not have over the top angst, which I loved.

Redesigned is the second installment in the Off the Subject series by Denise Grover Swank. I really enjoy Denise's books, including the first in this series, so I was looking forward to reading this book. I have to say first that I am not a big fan of romance books in general so it might affect my review as well.
