how harms can be reduced as a result.

Drinking trends in the UK | Alcohol
Change UK

Drinking culture is the set of traditions and social behaviors that surround the consumption of beverages containing ethanol as a recreational drug and social lubricant. Although alcoholic beverages and social attitudes toward drinking vary around the world, nearly every civilization has independently discovered the processes of brewing beer, fermenting wine and distilling spirits. Alcohol and its effects have been present in societies throughout history. Drinking is documented in the Hebrew and
