problems too. Wouldn't it be nice to learn how you can save more money while still being able to buy everything that your family needs? Clever Couponing is an all-in-one book that showcases many budgeting strategies, including the use of coupons, that can help the readers establish huge savings. In Johnson's book, you will be able to:

- Learn the basics on how to start couponing
- Learn the 4 types of couponers
- Know the 10 commandments of couponing
- Know the best ways to overcome the couponing problems that you may encounter
- Know the 4 key factors that contribute to effective grocery shopping for your family
- Learn the step-by-step process of setting up your family's budget
- Know how to maintain a budget plan to ultimately establish great savings

That's not all! The book covers more topics, example scenarios and sheets, and many more! It is not a book that pushes its readers to instantly delve into couponing
