tells her how ugly she is.
This book is about Constance
trying to become a lawyer.
Maybe because of the
translation but sometimes I
thought her very weird but
can you blame her.

I thought Beyond Ugly was a book written with such a strong meaning. I liked the way it was described. I though that Constance was really a lost soul as she

tried to improve her image;
that really did not need
improving. I liked the book
and I would give a high
