Verified Purchase. Blackadder: the Whole Damn Dynasty , I've got to admit, it struck me as something to read just from the title alone. Primarily, this is just a book of all the scripts of all the episode - excluding the one-off special for the millennium, because that had't been made at the time. _____ They had a cunning plan. A few decades ago, three young grads from England's greatest universities - Oxford, Cambridge, and Hull (actually, Manchester) - came up with a historical comedy series. Few thought it would live long in the memory. Today, Blackadder is a timeless comic masterpiece, and its stars have gone on to glittering careers. The True History of the Black Adder is the first ever history of one of Britain's greatest and most unique sitcoms, from its medieval beginnings to its legendary tragic finale. Informed by exclusive - and hilarious - interviews with essential figures like Rowan Atkinson, Tony Robinson, Ben Elton, Stephen Fry, Brian Blessed and many more, this the definitive account of how a British institution came to be, as well as a fascinating look into how this classic comedy was almost very different - and a compendium of brilliantly funny anecdotes from a team of Britain's most celebrated comedians. British history is a patchwork of questionable stories, constantly rewritten, re-evaluated and ridiculed; final editorial control has always belonged to the winners. And nobody likes winners... At last, Blackadder enthusiasts can now uncover THE cunning plan, in all its hideous hilarity.

From international film phenomenon, Richard Curtis, and awardwinning illustrator, Rebecca Cobb, comes a heartwarming tale of a magical, unconventional Christmas. Find out what happens when traditions are upturned, when chaos reigns, and what's really important when people come together... Richard Curtis is an award-winning and international film-director and script writer, and the creator of Four Weddings and a Funeral, Love Actually, Notting Hill, Yesterday and Mr Bean. Rebecca Cobb has collaborated with the Gruffalo author Julia Donaldson and Orange-Prize-winner Helen Dunmore, has been shortlisted for the Waterstones Prize and the prestigious Kate Greenaway Award multiple times.
