Bruchko and the Motilone Miracle, the powerful sequel to Bruce Olson's best-selling missionary classic, Bruchko, is a remarkable tale of adventure, tragedy, faith, and love. It shows how, despite incredible dangers and obstacles, one humble man and a tribe of primitive, violent Indians by joining together in simple obedience have been transformed forever by the sovereign will of god. Engulfed in the darkness of Irian Jaya's Snow Mountains live the Yali, naked cannibals who call themselves lords of the earth. Yet, in spite of their boldness, they live in terror and bondage to the women-hating, child-despising gods they serve. Missionary Stan Dale dared to enter their domain and be an instrument to change their future.

For parents and youth leaders looking for real-life role models for the new generation of young people, you will want to meet the Dales in *Lords of the Earth*.

Katie was a normal American teenager when she decided to explore the possibility of voluntary work overseas. She temporarily 'quit life' to serve in Uganda for a year before going to college. However, returning to 'normal' became impossible and Katie 'quit life' - college, designer clothes, her little yellow convertible and her boyfriend - for good, remaining in Uganda. In the early days she felt as though she were trying to empty the ocean with an eyedropper, but has learnt that she is not called to change the world in itself, but to change the world for one person at a time. By the age of 22 Katie had adopted 14 girls and founded Amizima Ministries which currently has sponsors for over 600 children and a feeding program for Uganda's poorest citizens - so it is no wonder she feels Jesus wrecked her life, shattered it to pieces, and put it back together making it more beautiful than it was before.

This child of an Indian village, from a Hindu family, heard one afternoon of a God who loved her, and she lived from then on under His influence. Read the remarkable true story of her life, overcoming every kind of opposition and trouble, as a soul charmed by God.

Sawi people of New Guinea. Peace Child tells their unforgettable story of living among these headhunters and cannibals, who valued treachery through fattening victims with friendship before the slaughter. God gave Don and Carol the key to the Sawi hearts via a redemptive analogy from their own mythology. The "peace child" became the secret to unlocking a value system that had existed through generations. This analogy became a stepping-stone by which the gospel came into the Sawi culture and started both a spiritual and a social revolution from within. With an epilogue updating how the gospel has impacted the Sawi people, this missionary classic will inspire a new generation of readers who need to hear this remarkable story and the lessons it teaches us about communicating Christ in a meaningful way to those around us.
