Is Your Marriage in Need of Marital First Aid? Or Maybe You Just Want More Love in Your Marriage? One of the biggest problems a couple faces in married life is being unaware of how each one feels in a given situation. Because of this, issues that cloud common sense and judgment arise, leading to arguments and misunderstanding. In this book, Dreus and Love Cosio share the lessons they learned and continue to learn in their journey as a couple with the aim of deepening your relationship or answering your marriage-in-distress call. Let them help you resolve conflict, deepen your love, and revive your marriage. Be enlightened by the wise advice and practical insights they share from real-life stories on the following: • How to handle money in marriage • Keep the romance alive • Forgive and receive second chances • Live to the full as you wait for your dreams to be fulfilled • Harness the power of communication • And many more!

We ' re all struggling to find time in our lives, but somehow there ' s never enough to go around.

We're too tired to think, too wired to focus, less efficient than we want to be, and guilty about not getting enough time with our loved ones. We all know that we feel starved for time, but what are we actually doing about it? Precious little. In *The Art of Stopping Time*, New York Times bestselling author Pedram Shojai guides us towards success with what he calls Time Prosperity—having the time to accomplish what you want in life without feeling compressed, stressed, overburdened, or hurried. So how do we achieve this Time Prosperity? We learn to Stop Time. To do that, Shojai walks us through a 100-day Gong, which is based on the Chinese practice of designating an amount of time each day to perform a specific task. The ritual helps you become mindful, train your mind, instill new habits, and fundamentally transform your relationship with time. We can find moments of mental awareness while in the shower, eating a snack, listening to podcasts, and even while binge-watching our favorite TV shows. He shares how to use Gongs to reprogram your habits, reduce stress, increase energy, exercise the ancient practice of mindfulness, and become a master of your time. Whether you do one per day, a bunch at a time, or read the whole book in one sitting, practicing the Gongs is a dedicated act of self-love that snaps us out of our daily trance and brings the light of awareness to our consciousness. The more we practice, the more we wake up, and the better off we are.

During an educational trip to London away from her friends and the boy she thinks she is fated to love, Massachusetts high school junior Julia Lichtenstein is paired with her nemesis, Jason, and begins seeing many things differently.

What is real? What lasts? This is what this book is about—a good look at the fertile soil we need to plant our lives in; at the anchor that can secure us amid a sea of superficiality and the winds of destructive changes. Here are stories of people who tried what they thought would make them complete and fulfilled, only to find themselves wanting more. And in their emptiness and brokenness, they discovered what's real. Come, join me in this pursuit of the business of living. It is my prayer that as you read these stories, you will be inspired to make your own journey in search of the real thing and discover what really matters above all else.

Are you Catholic? You must read this book. Bo Sanchez wants to help you love Jesus more. When he was a twelve years old, Bo found Jesus in his Catholic faith. And his life was changed forever. Through this eye-opening book, Bo also wants to help you appreciate your Catholic faith more. He'll explain, in the simplest way possible, the ten amazing reasons why he loves being Catholic. Read this book and you'll never see your Catholic faith the same way again. — When you purchase this book, you also become a blessing to others since Bo donates the royalties from his books to his many dynamic ministries.

In this small book Fr. Joel exposes our wrong concepts on how we view sex, love and sexuality and restores it to its original purity as God intended it to be. His amusing stories and conversational writing style lends understanding to otherwise heavy theology that the book discusses. What's refreshing about this book is that unabashedly talks about how the world has corrupted sex and just as boldly discusses what Scripture and the Church teaches about it. Fr. Joel has successfully taken John Paul II's *Theology of the Body* and has translated it in a way that even the man on the street can comprehend. In the end, the reader acquires a deeper love for God, greater appreciation of the gift of sex and a newfound respect for human life and dignity.

Following the prayers, a brief compendium of various important lists and other information can be found, such as the Ten Commandments, the Beatitudes, the Precepts of the Church, and others.

Remove The Curse From Your Relationships Do you know of adults who still act like kids? They throw tantrums, become needy and angry. Some of them are toxic people. Reason: Most of our problems are rooted in an empty love tank. Relationships get cursed when you seek from another person something that only God can give – your fulfillment, satisfaction, happiness, inner peace and completeness. Here ' s the truth: Only God ' s love can fulfill your deepest needs. The moment God ' s love becomes the only foundation of your life, you can love others from a position of peace, not anguish; from a position of completeness, not lack; from a position of trust, not control. This book will teach you how to have a loving relationships: - Honor Your Parents Even When It ' s Difficult - Control Yourself and Submit to Others - Love Those Who Hurt You - Show Unconditional Love - Have a Marriage That Is Full of Grace - Effectively Handle a Child ' s Tantrums - Parent from a Strong Foundation of God ' s Love Through this powerful book, you ' ll learn how to let God fill your empty love tank, so that you can love others from a heart filled with real love.
