--* This is a standalone novel*-- As the only survivor of a tragic accident, Tony Russell, aka Tiny, is mentally and physically scarred for life. Years later, he finds himself addicted to the gym and prescription drugs. Relationships and sex are the furthest thing from his mind, but when a replacement guitarist steps in for his band Blow Hole, Tony can't help his physical reaction to her. She's a spicy rocker with pink highlights and a scorching attitude, and she's exactly what he needs...regardless of how badly he refuses to believe it. Constance McClaire knows all about addiction. After growing up with a junky for a mother, she refuses to have anything to do with that life...until she meets the brooding, giant bass player for Blow Hole. He doesn't take her shit, has sexy tattoos, and very large hands-but he's clearly an addict and desperately needs help. Getting close to Tony without allowing herself to become emotionally attached is harder than she thought it would be. Addiction is addiction, no matter what it is swimming in your veins, and Constance finds its Tony she can't get enough of.

A little FAITH can get you through... One night. That's all Finn had with the only girl he ever loved. Years later, all he has left of that night is a silver cross, a broken give a damn, and the unrelenting desire to drink her memory away. As the lead singer of Blow Hole, Finn has his pick of women, but none are able to squash the need he still carries around for Faith. To hate her offers some relief, but when Finn sees her again after so many years, it's hard to despise her. Especially when every reason he had to hate her, turn out to be lies. As the daughter of a strict Baptist preacher, Faith Warren lived sheltered from all things sinful. When she met Jimmy Finn, the epitome of all seven deadly sins, she found out exactly what she was missing. After being forced to choose between her soul and the only person in the world who made her feel alive, Faith walked away from Finn and dove head first into her father's preferred life. But now Finn's back and he's getting payback by wreaking havoc on her emotions. Except sometimes bad things feel good, and Faith has to decide once again if she wants to stay in her gilded cage or fly free with the dark angel of lust himself. ***18+ Warning: this book contains some graphic language, sex, and violence. Marian Forrester is the symbolic flower of the Old American West. She draws her strength from that solid foundation, bringing delight and beauty to her elderly husband, to the small town of Sweet Water where they live, to the prairie land itself, and to the young narrator of her story, Neil Herbert. All are bewitched by her brilliance and grace, and all are ultimately betrayed. For Marian longs for "life on any terms," and in fulfilling herself, she loses all she loved and all who loved her.--From publisher's description.
