The news spread like brush fire through the whole county when widower Ancil Drayton announced his intention to start courting Miss Hattie Colfax. She was certainly spirited and delightfully sweet natured, and she'd managed to run her family farm almost single-handedly. But wasn't a twenty-nine-year-old lady farmer too old to catch a husband? An Irresistable Suitor. All his life handsome, black-haired Reed Tyler had worked Miss Hattie's farm--and dreamed of one day settling down on his own piece of land with the pretty young woman he'd sworn to marry. Hattie was someone he could tell his hopes and troubles to--someone he looked on as a sister. So he thought, until the idea of Ancil Drayton calling on her made him seethe. Until the night a brotherly peck became a scorching kiss... and Reed knew nothing would bank the blaze--and that his best friend was the only woman he would ever love.

Jane Lofton may have grown up as a nobody, but she didn't stay one for long. Not once she figured out that hard work, tenacity and blond ambition were a girl's best friend. Of course, having the right husband doesn't hurt, either. But being rich and successful is not all it's cracked up to be. Okay, maybe it is--but life is still tough.

It was without a doubt the most conniving, lowlife trick ever played on a man. But it was for a good cause... Eulie Toby didn't like playing tricks, but the only way she could keep her younger orphaned siblings together was to get married--and Moss Collier was the perfect choice. Handsome and kind, he seemed so lonely living with his hermit uncle on that pretty sweep of Tennessee mountaintop. It didn't matter if their vows came at the end of a shotgun; Eulie promised Moss she'd make him the best wife in all of the Sweetwood. But a young bride and a ready-made family were the last things on Moss's mind. He had big dreams of going West and nothing was going to stop him--not Eulie's sweet innocence...not her deliciously kissable lips...and especially not that growing warmth deep inside his heart every time she came near. Moss had plans all right--but he hadn't planned on falling in love.

When virtuous Hannah Bunch set out to trap herself a husband at the spinsterly age of 26, she hardly dreamed she'd be compromised by a blue-eyed stranger. Her reputation shattered, she promises to honor and cherish him always--never suspecting that his secret will threaten her life. From the author of *Courting Miss Hattie*.

Every step forward leads Roscoe into the past - to the early loss of his true love, to his own particular heroics in World War I, the takeover of City Hall and the methodical assassination of the gangster Jack 'Legs' Diamond. Severn Manor by marrying Nicholas Calloway, a Texas bounty hunter come to claim his family's ancestral lands. But the moment they met, the slate eyed barbarian took Daisy's breath away. She proposed a marriage of convenience. But she hadn't reckoned on flash-fire passion with the savage new duke...

Nicholas Calloway came to England to discover the truth about his bastard birth, then sell his inherited estate—with Duchess Daisy's help. Her price was marriage. He agreed, determined to have her on his own terms—only to find himself hostage to the fiery redhead he couldn't leave behind... The highly acclaimed bestselling author of *Outlaw's Bride*, Joan Johnston brings to life two extraordinary characters—an outrageous duchess and an unlikely duke—in a love story that enchants and enthralls to the very last page.

Spanning 50 years, this novel chronicles the cycles, the joys, and the animosity that make up the relationship between a mother and daughter. Each woman, a product of her generation, is influenced, and sometimes limited, by the expectations of the era in which she lives. Original.

loving relationship begins with knowing your own identity in Christ. And yet, so many people have learned to define love through their own dysfunctional family, unhealthy relationships, the romances and wrecked relationships of mainstream pop culture, or, sadly, through pornography. Is it any wonder so many people end up brokenhearted, divorced, abused, abusive, or even suicidal? Through personal stories, Sturm shows readers why true love is difficult and often painful but still worth fighting for. She helps women recognize destructive patterns in their relationships, discover a vision for a true and heart-flourishing love, and heal from past wounds. For anyone seeking healthy, loving relationships in our broken world, The Mystery lights the way to the love we were meant for.
