Your Daughter's Room is Special...Just Like Her! A girl's bedroom is an important part of her identity, maybe the only place in the world that she can truly call her own. Now your daughter can decorate her space to make her room a reflection of her unique personality. From twins Whitney and Westleigh Wood, creators of *52 DIY Crafts for Girls* and the daughters of home décor expert Karianne Wood, comes a year's worth of pretty projects that will transform your girl's room to fit her one-of-a-kind style. Your daughter will discover fun and colorful crafts for her windows, walls, door, and so much more! Each craft has illustrated and easy-to-follow instructions, including a supply list, skill level projection, approximate cost, and estimated timeframe to complete the project. Your daughter will also get some practical advice and encouragement from Whitney and Westleigh along the way. Give the special girl in your life the room to make, create, draw, and paint and watch her creativity and confidence grow.

Thirty-two rubber stamps shaped like the standard building blocks of architecture, ancient and modern, and an informative guidebook allow children to depict many famous constructions--from the colonnades of Rome to Frank Lloyd Wright's masterpieces--and devise their own.

Emily's Room is a charming story of a bright and unique little girl who transforms an empty bedroom into a beautiful space of her own. Emily begins to understand more about herself as she explores how she wants her room to look, feel and function. By incorporating her favorite colors, textures, and elements of nature, she is able to create an environment where she can thrive. Tap into your highest potential by designing an environment that enriches and nourishes your life using the same techniques as Emily. Through Emily's Room, you will learn an intuitive, unconventional method of holistic decorating that is not just about the way a room looks, but is about creating a space where you are at peace, inspired, and supported. A design toolkit that will guide you through your own creative process, from generating ideas through mapping out a personal design plan, is included!
