“ New religious movement ” is a new term from academic discourse, and is applied to religious movements from the 19th century onwards. “ Remember, ” says Tavor, “ that the religious landscape of the U.S. was about freedom of religion. Anyone can create a new religion, and can appeal to the government for new religion status and get protections and recognition from the government. ” What they have in common may be reason to conflate the two: a charismatic leader. Buddhism and ...

## New Religious Movements and Cults in Popular Culture

What are New Religious Movements? Despite the wonderfully concise meaning that Stark and Bainbridge assign it, the word cult remains an emotionally loaded term burdened with negative imagery. For this reason many writers have adopted the convention of calling contemporary groups, identified as either cults or sects, new religious movements (NRM's), or new religions.

This has led to the development of typologies of cults and other New Religious Movements. According to Roy Wallis (1984) cults differ from sects in that they are individualised, loosely-organised, tolerant and make very few demands on their adherents. This is almost the opposite of what we tend to mean by cult in popular usage and popular culture. For Wallis, cults do not claim to have found the truth, nor do they condemn those who are not part of their group.
