Cultural studies and environmentalism : the confluence of ...  
The environment is perhaps most misunderstood as a static place, somewhere "out there," separated from the practices of our everyday lives. Given this assumption, environmental movements and concerns have remained mostly marginalized or denigrated in cultural studies publications, conferences, and presentations.

Cultural Studies and Environment, Revisited: Amazon.co.uk ...  
Cultural environmentalism is the movement that seeks to protect the public domain. The term was coined by James Boyle, professor at Duke University and contributor to the Financial Times. The term stems from Boyle's argument that those who seek to protect the public domain are working towards a similar ends as environmentalists.

Cultural environmentalism - Wikipedia  
In this thoughtful and highly readable book, Noel Sturgeon illustrates the myriad and insidious ways in which American popular culture depicts social inequities as "natural and how our images of "nature" interfere with creating solutions to environmental problems that are just and fair for all.

Cultural Studies and Environment -- Phaedra C. Pezzullo, PhD  
As environmental issues increasingly impinge on society, sociologists have turned their attention to nature and the environment. However, unlike the majority of sociological work on environmental issues, which has too often been dominated by abstract theoretical disputes, this book concentrates on empirical studies in environmental sociology.

Cultures of Environmentalism - Empirical Studies in ...  
At least in earlier manifestations, environmentalism was often seen as a totalizing discourse, one which threatened to elide social or cultural differences based on race, sex and gender.
