Like a weaver's skilled hands, Connie Spruill weaves the science of epigenetics, the healing art of feng shui and our intentions into a simple and achievable path where our purpose awaits. If you consider learning as a lifelong process, then you might find yourself hypnotized by Connie's simply put steps for enjoying life, doing what you want to do and finally realizing freedom to create and live your dreams. Connie shows you how to acknowledge and give attention to your dreams through feng shui placement. As she explains the science of why feng shui works, you will see your home and workplace as a petri dish in a research lab. Identifying and negating triggers that shoot down your motivation will become second nature to you. Controlling your future is now in your hands. She connects you with your childhood imagination and acting as if you've already achieved your life dreams. The world is a Broadway play and you are the scriptwriter. You have to rehearse your lines and emotions. Write your script now so you will know how to act when you reach your dreams. In the meantime, people will think you've been there all along.

you're aware of it, your environment profoundly affects your health, wealth, family life, relationship, and yes, even your destiny. Feng Shui (pronounced fung shway), which means wind water, is the ancient Chinese study of harmony and energy flow between you and your physical surroundings. Now, Feng Shui For Dummies, 2nd Edition shows you how you can apply Feng Shui principles to your home (inside and out) and workplace (from window office to cubicle) in order to achieve a better life. Principles are explained in an easy-to-understand language Practical tips show you how to incorporate the traditions of Feng Shui to your everyday life Before-and-after illustrations and full-color photos of real-life Feng Shui makeovers in an all-new 8-page color insert Free of technical jargon and brimming with practical tips and advice, Feng Shui For Dummies shows you how to feel and access the energy of your environment and create harmony and happiness in your life. Feng Shui For Dummies (9781119643166) was previously published as Feng Shui For Dummies (9780470769324). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product.

Jayme Bartett, the feng shui consultant to the rich and powerful of Beverly Hills, has written the most comprehensive and life changing book on the subject.

A feng shui book specifically for teens. • Shows how to create balanced teen environments that promote personal development and positive self expression. • Tailors solutions to teen spaces: bedrooms, dormitories, desks, drawers, and lockers. • Shows how, when, and where to use music, incense, and posters. • Addresses real teen issues such as body image, tattoos and piercings, and cigarettes and other drugs. Teen Feng Shui demonstrates how the universal principles behind the design practice of feng shui can be applied to the contemporary environments of teenagers--from school lockers to dorm rooms--in order to maximize

personal power, develop harmonious relationships, and define personal space. Noting that all books on feng shui are created for adults, Susan Levitt has provided a resource geared specifically toward the needs and realities of the teenage experience, addressing how young adults can design their living spaces to transform their lives. She describes how music, posters, and incense can influence space and includes before-and-after illustrations of feng shui "fixes." Teen Feng Shui also incorporates Chinese astrology, financial management and shopping tips for teens, insights on love and sex, personal stories, and case studies to provide a fun and comprehensive guide to this ancient art of placement.

To balance predestination and free will, man and women must deal with heaven luck and earthly matters to achieve abundance and happiness. As a Life Management Tool, Feng Shui your Mind is an innovation in Life Coach. It will give you together the tools and secrets of coaching, dealing with western rational mind, with the Eastern Awareness of subtle energies and unconscious influences, to attract abundance, quality of life and personal well-being in a very easy and friendly way. • How is my destiny and my life path? • How do I better choose my relations and human network? • How can I deal with my children and my ancestors? • What is the best attitude to raise my income, and abundance? • How do my house, my workplace, my friends, my environment, help me? • How can I improve and evaluate every area of my life? • When is the best time to act? When is the best time to retreat? Feng Shui adds to the conventional approach of Life Coaching, your physical and human environment together with your destiny and fortune, managing Time and Space, thus providing you, • A Matrix to check and fix your life, experimented through centuries, • How to know myself and my partners, • How to setup and choose my environment, to support me. With Neuro Feng Shui, access a world of Personal Power, Liberation and Co-Creation of a Great Life!
