study of early America's marginalized voices. Now, in *Independence Lost*, she recounts an untold story as rich and significant as that of the Founding Fathers: the history of the Revolutionary Era as experienced by slaves, American Indians, women, and British loyalists living on Florida's Gulf Coast. While citizens of the thirteen rebelling colonies came to blows with the British Empire over tariffs and parliamentary representation, the situation on the rest of the continent was even more fraught. In the Gulf of Mexico, Spanish forces clashed with Britain's strained army to carve up the Gulf Coast, as both sides competed for allegiances with the powerful Chickasaw, Choctaw, and Creek nations who inhabited the region. Meanwhile, African American slaves had little control over their own lives, but some individuals found opportunities to expand their freedoms during the war.

Read Online George Washington S Socks Study Guide

Independence Lost reveals that individual motives counted as much as the ideals of liberty and freedom the Founders espoused:

Independence had a personal as well as national meaning, and the choices made by people living outside the colonies were of critical importance to the war's outcome. DuVal introduces us to the Mobile slave Petit Jean, who organized militias to fight the British at sea; the Chickasaw diplomat Payamataha, who worked to keep his people out of war; New Orleans merchant Oliver Pollock and his wife, Margaret O'Brien Pollock, who risked their own wealth to organize funds and garner Spanish support for the American Revolution; the half-Scottish-Creek leader Alexander McGillivray, who fought to protect indigenous interests from European imperial encroachment; the Cajun refugee Amand Broussard, who spent a lifetime in conflict with the British; and Scottish loyalists James and

Read Online George Washington S Socks Study Guide

Isabella Bruce, whose work on behalf of the British Empire placed them in grave danger. Their lives illuminate the fateful events that took place along the Gulf of Mexico and, in the process, changed the history of North America itself. Adding new depth and moral complexity, Kathleen DuVal reinvigorates the story of the American Revolution. Independence Lost is a bold work that fully establishes the reputation of a historian who is already regarded as one of her generation's best. Praise for Independence Lost "[An] astonishing story . . . Independence Lost will knock your socks off. To read [this book] is to see that the task of recovering the entire American Revolution has barely begun." "The New York Times Book Review "A richly documented and compelling account." "The Wall Street Journal "A remarkable, necessary" and entirely new" book about the American Revolution." "The Daily Beast "A

completely new take on the American Revolution, rife with pathos, double-dealing, and intrigue. Elizabeth A. Fenn, Pulitzer Prize-winning author of *Encounters at the Heart of the World*

Philadelphia 1777 is no place for the faint of heart. The rumble of war with the British grows louder each day, and spies for and against the Patriots are everywhere. No one is above suspicion. Still, everyday life must go on and young Maddy Rose must help her mother, especially since her father's death at the Battle of Princeton and now with her beloved brother Jonathan off with Washington's army. But when childhood games become life-and-death actions, Maddy Rose is drawn ever deeper into events that will explode beyond her imagining. As young America stands on the very brink of its fight for freedom, it becomes clear that even the

smallest of citizens can play the largest of parts, and that the role of a patriot has nothing to do with age and everything to do with heart. In *The Scarlet Stockings Spy*, Trinka Hakes Noble melds a suspenseful tale of devotion, sacrifice, and patriotism with the stark realities of our country's birth. Noted picture book author and illustrator Trinka Hakes Noble has pursued the study of children's book writing and illustrating in New York City at Parsons School of Design, the New School University, Caldecott medalist Uri Shulevitz's Greenwich Village Workshop, and New York University. She has authored and illustrated numerous books including the popular *Jimmy's Boa* series, which has been translated into six languages. Trinka lives in Bernardsville, New Jersey. *The Scarlet Stockings Spy* is her first book with Sleeping Bear Press. Because Robert Papp's childhood drawings of his favorite

Study Guide

George Washington wrote his will, he made the startling decision to set his slaves free; earlier he had said that holding slaves was his "only unavoidable subject of regret." In this groundbreaking work, Henry Wiencek explores the founding father's engagement with slavery at every stage of his life--as a Virginia planter, soldier, politician, president and statesman. Washington was born and raised among blacks and mixed-race people; he and his wife had blood ties to the slave community. Yet as a young man he bought and sold slaves without scruple, even raffled off children to collect debts (an incident ignored by earlier biographers). Then, on the Revolutionary battlefields where he commanded both black and white troops, Washington's attitudes began to change. He and the other framers enshrined slavery in the Constitution, but, Wiencek shows, even before he became president Washington had begun to see the

system's evil. Wiencek's revelatory narrative, based on a meticulous examination of private papers, court records, and the voluminous Washington archives, documents for the first time the moral transformation culminating in Washington's determination to emancipate his slaves. He acted too late to keep the new republic from perpetuating slavery, but his repentance was genuine. And it was perhaps related to the possibility--as the oral history of Mount Vernon's slave descendants has long asserted--that a slave named West Ford was the son of George and a woman named Venus; Wiencek has new evidence that this could indeed have been true. George Washington's heroic stature as Father of Our Country is not diminished in this superb, nuanced portrait: now we see Washington in full as a man of his time and ahead of his time.

This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

the best novels EVER." --Jacqueline Woodson, Newbery Honor and National Book Award-winning author of *Brown Girl Dreaming*

The #1 New York Times bestselling authors of *The Heart of Everything That Is* return with "a thorough, nuanced, and enthralling account" (*The Wall Street Journal*) about one of the most inspiring—and underappreciated—chapters in American history: the Continental Army's six-month transformation in Valley Forge. In December 1777, some 12,000 members of America's Continental Army stagger into a small Pennsylvania encampment near British-occupied Philadelphia. Their commander in chief, George Washington, is at the lowest ebb of his military career. Yet, somehow, Washington, with a dedicated coterie of advisers, sets out to breathe new life into his military force. Against all odds, they

manage to turn a bobtail army of citizen soldiers into a professional fighting force that will change the world forever. Valley Forge is the story of how that metamorphosis occurred. Bestselling authors Bob Drury and Tom Clavin show us how this miracle was accomplished despite thousands of American soldiers succumbing to disease, starvation, and the elements. At the center of it all is George Washington as he fends off pernicious political conspiracies. The Valley Forge winter is his—and the revolution's—last chance at redemption. And after six months in the camp, Washington fulfills his destiny, leading the Continental Army to a stunning victory in the Battle of Monmouth Court House. Valley Forge is the riveting true story of a nascent United States toppling an empire. Using new and rarely seen contemporaneous documents—and drawing on a cast of iconic characters and
