Guess the Verdict is a fun and challenging way to learn how cases are decided in many areas of the law. It starts with summaries of cases culled from a typical first year of law school, such as Criminal Law, Contracts, and Property, and then delves into other interesting areas of the law, including

The public prosecution department has condemned an internet-based 'guess the court verdict' game run by regional newspaper Twentsche Courant Tubantia. 'We don't think citizens should be able to earn money from the distress of people involved in a court case,' a spokesman told the Telegraaf. The person to come closest to the actual verdict wins €50.

THE TOY VERDICT - We liked this game. After all, what's not to like about a portable version of Guess Who. The App was ok - better than we expected in fact, but don't let the glitz of the app fool you - at its core this is a portable version of the classic board game which we can heartily recommend.

So I guess the verdict is clear now, Mulan on Disney Plus Premier Access was a failed experiment. Other Disney has declined to release numbers for Mulan, which tbf wouldn't be that out of the ordinary, as Disney+ hasn't released numbers for anything other than subscriber totals (though Universal did make a big deal about how Trolls: World Tour made \$100M).
