“For those ready and willing to build a new life, here are the tools. Powerful, incisive, extraordinary writing.” —Neale Donald Walsch, New York Times bestselling author of Conversations with God Transform your life with this bestselling, revolutionary, and accessible seven-step guide—grounded in energy medicine, neurobiology, and quantum physics—to awaken your true health and potential through energy healing. Eighteen years ago, health pioneer and “extraordinary enlightened visionary” (Anita Moorjani, New York Times bestselling author) Dr. Sue Morter had a remarkable and profound awakening. While meditating, she spontaneously accessed an energy field—a level of consciousness—beyond anything she had ever imagined. This dramatic experience changed her life and set her on a mission to discover how to create such radical transformation for her patients. Through years of advanced study and research in energy healing and medicine, she developed the Energy Codes. This life-altering program has now enabled thousands of people around the world to overcome pain, disease, fatigue, anxiety, and depression, and to awaken their innate creativity, intuition, and inner power. Bridging ancient healing practices with cutting-edge science, The Energy Codes offers a detailed road map to help you experience deep healing in your life. Grounded in practical, accessible exercises, including yoga, breathwork, meditations, and Dr. Morter’s proprietary Bio-Energetic Synchronization Technique (BEST) protocol, The Energy Codes “offers deep insights...that brilliantly merge the ever-blending worlds of science and spirituality to help reveal the truth of our being and the depths of our greatness.” (Jack Canfield, coauthor of the Chicken Soup for the Soul series).

The cutting edge of neurolinguistics meets the spiritual wisdom of the ages in a handbook of key words that literally rewire our brains. New discoveries in biology and the neurosciences are revealing how the structure of language-the words we think and speak-can actually change the way the neurons in our brains and hearts connect. But our ancestors understood this connection intuitively, thousands of years ago. They created specific word-patterns to provide comfort, healing, strength, and inner power in difficult times, and they encoded these powerful words in prayers, chants, mantras, hymns, and sacred writings to preserve them for future generations. Now beloved teacher and thought leader Gregg Braden cracks the code and puts these powerful words in your hands. Perfect as a pocket guide, a reference for spiritual study, or a gift to someone you love, this elegant, compact book contains Wisdom Codes that cut to the core of life's greatest tests, most challenging demands, and hardest lessons. You'll find chapters devoted to healing from loss and grief, facing your unspoken fears, finding certainty in the face of uncertain choices, and finding forgiveness, as well as ancient parables that offer a "fast track" to unraveling life's deepest mysteries. Each Wisdom Code-distilled from a quote, a scripture passage, or a parable-is accompanied by a brief discussion of what the code means, why it's important, and how to apply it in your life.
