Alike to Howl, Kaddish is another collection of two halves. Kaddish itself is a long and meandering poem, straddling the sublime and the dull, steering a long way clear of perfection in a way that only Ginsberg could manage. All of the ingredients were there: great subject matter, great passion, and a burgeoning need to write it.

" Kaddish," a poem similar in style and form to " Howl," is based on the traditional Hebrew prayer for the dead and tells the life story of Ginsberg's mother, Naomi. The poet's complex feelings for his mother, colored by her struggle with mental illness, are at the heart of this long-lined poem.

Allen Ginsberg (1926-97) was an American poet, best known for the poem 'Howl' (1956), celebrating his friends of the Beat Generation and attacking what he saw as the destructive forces of materialism and conformity in the United States at the time. He was inducted into the American Academy of Arts and Letters, was awarded the medal of Chevalier de L'Ordre des Arts et des Lettres by the French Minister of Culture, won the National Book Award for The Fall of America and was a co-founder of the Jack Kerouac School of Disembodied Poetics at the Maropa Institute, the first accredited Buddhist college in the Western world. Great strange visionary poems by the author of Howl, "in the midst of the broken consciousness of mid-twentieth century . . ." In the midst of the broken consciousness of mid-twentieth century suffering anguish of separation from my own body and its natural infinity of feeling its own self one with all self, I instinctively seeking to reconstitute that blissful union which I experience so rarely. I took it to be supernatural an gave it holy Name thus made hymn laments of longing and litanies of triumphancy of Self over mind-illusion mechano-universe of un-feeling Time in which I saw my self my own mother and my very nation trapped desolate our worlds of consciousness homeless and at war except for the original trembling of bliss in breast and belly of every body that nakedness rejected in suits of fear that familiar defenseless living hurt self which is myself same as all others abandoned scared to own unchanging desire for each other. These poems almost unconscious to confess the beatific human fact, the language intuitively chosen as in trance & dream, the rhythms rising on breath from belly thru breast, the hymn completed in tears, the movement of the physical poetry demanding and receiving decades of life while chanting Kaddish the names of Death in many worlds the self seeking the Key to life found at last in our self.

First published in 1956, Allen Ginsberg's Howl is a prophetic masterpiece—an epic raging against dehumanizing society that overcame censorship trials and obscenity charges to become one of the most widely read poems of the century. This annotated version of Ginsberg's classic is the poet's own re-creation of the revolutionary work's composition process—as well as a treasure trove of anecdotes, an intimate look at the poet's writing techniques, and a veritable social history of the 1950s.

Featuring the legendary and groundbreaking poem "Howl," this remarkable volume showcases a selection of Allen Ginsberg's poems, songs, essays, letters, journals, and interviews and contains sixteen pages of his personal photographs. One of the Beat Generation's most renowned poets and writers, Allen Ginsberg became internationally famous not only for his published works but for his actions as a human rights activist who championed the sexual revolution, human rights, gay liberation, Buddhism and eastern religion, and the confrontation of societal norms—all before it became fashionable to do so. He was also the dynamic leader of war protesters, artists, Flower Power hippies, musicians, punks, and political radicals. The Essential Ginsberg collects a mosaic of materials that displays the full range of Ginsberg's mental landscape. His most important poems, songs, essays, letters, journals, and interviews are displayed in chronological order. His poetic masterpieces, "Howl" and "Kaddish," are presented here along with lesser-known and difficult to find songs and prose. Personal correspondence with William Burroughs and Jack Kerouac is included as well as photographs—shot and captioned by Ginsberg himself—of his friends and fellow rogues William Burroughs, Neal Cassady, and more. Through his essays, journals, interviews, and letters, this definitive volume will inspire readers to delve deeper into a body of work that remains one of the most impressive literary canons in American history.
