Resolving Moral Issues in Business. The ethical landscape of business is constantly changing,
and the new edition of Business Ethics: Concepts and Cases has been revised to keep pace
with those changes most effecting business: accelerating globalization, constant
technological updates, proliferating of business scandals. Business Ethics: Concepts and
Cases introduces the reader to the ethical concepts that are relevant to resolving moral
issues in business; imparts the reasoning and analytical skills needed to apply ethical
concepts to business decisions; identifies moral issues specific to a business; provides an
understanding of the social, technological, and natural environments within which moral
issues in business arise; and supplies case studies of actual moral conflicts faced by
businesses. This Books á la Carte Edition is an unbound, three-hole punched, loose-leaf
version of the textbook and provides students the opportunity to personalize their book by

This textbook connects tried-and-tested theory, analytical frameworks, data and case examples to deliver a comprehensive guide to the subject from authors who keep pace with the ongoing developments in both theory and practice.

For introductory International Business courses with the need for a brief, accessible text. International Business 4/e places culture and globalization front and center to motivate and enable students to grasp difficult conceptual material. This approach has made it the fastest growing international business book available today.

INTERNATIONAL BUSINESS LAW AND ITS ENVIRONMENT, 8e, International Edition centers on the basic market-entry strategies most firms deploy as they expand into international markets: trade in goods and services, protecting and licensing intellectual property, and foreign direct investment. Interweaving the law with ethics-related issues, the text shows how individual firms manage these strategies in different ways while discussing the latest political, economic, and legal developments around the world. Helpful features such as case examples, end-of-chapter questions, and ethics activities help solidify your understanding of the material.

This well-received and widely accepted book by the students of business schools across the country, in its Seventh Edition, provides cases that have been culled from the real business world and drawn from authentic sources. NEW TO THE SEVENTH EDITION In the present edition, the following cases have been thoroughly updated: • Ace Designers • BEML • BHEL • BPL • Gillette India • Infosys • Oracle • SAP • Standard Chartered Bank • Taj West End • HMT Watches • HMT Machine Tools These cases highlight the business environment of different companies, specifically from the view of competitiveness, product development, market strategies and inter-national business. The facts and data given in the case studies are compiled and presented in a simple and easy-to-read style for better understanding of the market practices. TARGET AUDIENCE • MBA • PGDM • MIB

Download Free International Business 7th Edition Case Study

In a fast-paced and constantly changing world, it is more important than ever to have a sound appreciation of the context in which business organisations exist and operate. Now in its 7th edition, this best-selling textbook offers a comprehensive, yet accessible, introduction to the wide range of external influences that affect business operations and decisions in today's increasingly globalised world. How do changing, and often unpredictable, economic or political conditions impact on business? How are business organisations affected by globalisation? What role do environmental responsibility and ethics have to play in business decisions? Using well-known examples and case studies from a broad range of international organisations, this 7th edition of *The Business Environment* addresses these key questions and many more. It includes a chapter on the global context of business together with *International Business in Action* case studies, both of which clearly illustrate the global nature of today's world of business. With this book you can:

- * Explore all the issues which are critical to understanding the business environment and learn how these impact on organisations of all types and sizes.
- * Benefit from up-to-date information and accessible analysis of both the macro- and micro-environmental influences that affect business organisations today.
- * Put theory into practice, using a wide range of contemporary mini cases and case studies on (1) organisations including Microsoft, Facebook, Gazprom and Serco (2) issues such as foreign direct investment, fracking, the Eurozone crisis and Quantitative Easing.

Ian Worthington is Emeritus Professor of Corporate Sustainability and Chris Britton was formerly Principal Lecturer in the Leicester Business School, De Montfort University, Leicester, UK.

For upper-level undergraduate and MBA students enrolled in an international business law course. August, 5e emphasizes the diversity and similarity of how firms are currently regulated and governed around the world.

Updated in its 7th edition, *Case Histories in International Politics* presents 20 original case studies to offer a historical perspective for better analyzing world affairs. Providing in-depth historical illustrations of core concepts in international relations, this casebook surveys major events in the 20th and 21st centuries and highlights both enduring and emerging problems. *Case Histories in International Politics* looks beyond current events to help readers make meaningful comparisons between what happened in the past and what is happening now.
