In "Justice Redeemed" Darren Street is a successful criminal defense attorney who, early in his career, successfully had the 19 year old conviction of his uncle overturned. He did this by proving the prosecutor, Ben Clancey, had fabricated evidence to railroad the uncle.

Justice Redeemed (Darren Street): Pratt, Scott ...

Justice Redeemed is a legal thriller, but most of the story is post conviction of the lead character, Darren Street. Darren is a successful criminal defense attorney in Knoxville, TN who finds himself convicted of a murder he did not commit. The story is well researched, in my opinion.

Justice Redeemed (Book #1 in the Darren Street Series)

Justice Redeemed book by Scott Pratt - ThriftBooks

In Justice Redeemed Street embarrassed a crooked prosecutor and finds himself convicted of a murder he did not commit. There is likely a lesson all should learn from this novel: a dishonest or partisan federal prosecutor who goes after a citizen can and will find a way to ruin that person's life.

Justice Redeemed by Scott Pratt | Audiobook | Audible.com

The main protagonist, Darren Street, is one of the most unlikeable heroes in any book I have read. He perpetrated senseless violence, was self-obsessed, arrogant, remorseless when he did perpetrate violence, caused emotional pain to his son and exhibited narcissistic qualities with the women in his life.

Justice Burning (Darren Street Book 2) - Kindle edition by ...

Justice Redeemed (Darren Street) | Audible.com

Former defense attorney Darren Street is desperately trying to put his life back together after spending two years in a maximum-security prison for a murder he didn't commit. He's rebuilding his law practice, reconnecting with his son, and falling more deeply in love with his girlfriend, fellow attorney Grace Alexander. But the past casts a long shadow, and for Street, there's no outrunning it. Tormented by nightmares and violent mood swings, Street is seeking treatment for PTSD when a new trauma shakes his world: his mother is killed in an explosion, but the police believe Street was the intended target. Payback from an old enemy, or the calling card of a deadly new foe? Whoever's behind it, Street begins to lose his grip on reality and decides to take matters in his own hands. And the law won't stop him from revenge. Justice has a new name: Darren Street.

Darren Street faces the most personal and ruthless vendetta of his life. After forfeiting years serving time for a false murder conviction, former criminal defense attorney Darren Street finally got his freedom back and is trying to build a regular life. But when an unthinkable tragedy shatters his hard-earned normalcy, Street is left reeling from the devastating blow. As the criminal-justice system refuses to dispense justice, he sets out--without mercy--after the man responsible. Unwilling to stop at simply righting one wrong, Street decides to dust off his legal skills and dive back in--this time to unseat the district attorney general in Knoxville, whose callous indifference nearly let a man get away with murder. Now navigating a broken establishment already steeped in corruption, Street will find the retribution and redemption he so desperately needs--unless it draws him even deeper into the very chaos that derailed his life in the first place.

Burned out defense attorney Joe Dillard, against his better judgment, takes the case of Angel Christian, a waitress in a strip club, who is accused of stabbing a preacher to death in a Tennessee motel--a case that is linked to his own deeply troubled sister and a vindictive detective. Original.

Determined to convict two Goth teens who brutally murdered a family in rural Tennessee, prosecutor Joe Dillard risks everything when he discovers that there was someone else involved in the killings--a woman named Natasha whom the teens refuse to implicate, fearing for their lives. Original.

Relating his experiences caring for endangered whales, a veterinarian and marine scientist shows we can all share in the salvation of the imperiled animals. The image most of us have of whalers includes harpoons and intentional trauma. Yet eating commercially caught seafood leads to whales' entanglement and slow death in rope and nets, and the global shipping routes that bring us readily available goods often lead to death by collision. We—all of us—are whalers, marine scientist and veterinarian Michael J. Moore contends. But we do not have to be. Drawing on over forty years of fieldwork with humpback pilot, fin, and, in particular, North Atlantic right whales—a species whose population has declined more than 20 percent since 2017—Moore takes us with him as he performs whale necropsies on animals stranded on beaches, in his independent research alongside whalers using explosive harpoons, and as he tracks injured whales to deliver sedatives. The whales' plight is a complex, confounding, and disturbing one. We learn of existing but poorly enforced conservation laws and of perennial (and often failed) efforts to balance the push for fisheries profit versus the protection of endangered species caught by accident. But despite these challenges, Moore's tale is an optimistic one. He shows us how technologies for ropeless fishing and the acoustic tracking of whale migrations make a dramatic difference. And he looks ahead with hope as our growing understanding of these extraordinary creatures fuels an ever-stronger drive for change.

An Amazon Top 20 bestseller.***Each Joe Dillard novel can be read as a standalone.***A Supreme Court Justice is found cut into pieces in the back of a pick-up truck.Three other judges have already gone missing.In the eighth instalment of Scott Pratt's best-selling Joe Dillard Series, Dillard is hired to represent the man driving the pick-up. As Dillard delves into the case, he comes to believe his client is not guilty. But who is? Who has been kidnapping and killing judges all over the state of Tennessee? The search for that answer leads Dillard and his friend, Sheriff Leon Bates, down a path so dark and so dangerous to a villain so evil, it will change both Joe and Leon forever -- if they manage to survive.'Pratt's richly developed characters are vivid and believable, especially the strong Southern women who fight their male-dominated culture from behind a facade of vulnerability.' -Publisher's Weekly

Jarvis Thompson, the most celebrated wide receiver in college football, vanishes along the Tennessee River in the middle of the night.The circumstances surrounding the receiver's disappearance are ominous: drugs, cash, and his mentor's brother lying in a pool of blood.It's up to Jarvis's mentor and soon-to-be agent Billy Beckett to investigate the mystery and find his beloved protégé before the clock runs out. Was it a brazen kidnapping? A setup? Or did Jarvis get in too deep and run? In a frantic quest that takes Billy from the mountains of East Tennessee to the South Carolina coast to the gritty streets of New Orleans, the agent knows careers - and lives- are on the line. As the two men's paths collide, both Jarvis and Billy are suddenly embroiled in a terrifying, high-stakes game where winners live and losers die. 'Pratt's richly developed characters are vivid and believable...' -- Publisher's Weekly

It starts in a suburban backyard with Darren Keefe and his older brother, sons of a fierce and gutsy single mother. The endless glow of summer, the bottomless fury of contest. All the love and hatred in two small bodies poured into the rules of a made-up game. Darren has two big talents: cricket and trouble. No surprise that he becomes an Australian sporting star of the bad-boy variety—one of those men who's always got away with things and just keeps getting. Until the day we meet him, middle aged, in the boot of a car. Gagged, cable-tied, a bullet in his knee. Everything pointing towards a shallow grave. The Rules of Backyard Cricket is a novel of suspense in the tradition of Peter Temple's Truth. With glorious writing harnessed to a gripping narrative, it observes celebrity, masculinity—humanity—with clear-eyed lyricism and exhilarating narrative drive. Jock Serong's first novel, Quota, won the 2015 Ned Kelly Award for Best First Fiction. The Rules of Backyard Cricket was shortlisted for the 2017 Victorian Premier's Award for Fiction, and was a finalist in the 2017 Mystery Writers of America Edgar Awards and the 2017 Indie Book Awards. On the Java Ridge won the Colin Roderick Award and the international Staunch Book Prize in 2018. Jock lives with his family on Victoria's far west coast. 'The Rules of Backyard Cricket by Jock Serong, while classified as 'crime', is a compelling literary novel dissecting toxic sporting culture and its fallout.' Paddy O'Reilly, Australian Book Review, 2016 Books of the Year 'The Rules of Backyard Cricket got the thumbs up from everyone.' Favourite Fiction for 2016, Avenue Bookstore 'My favourite reading experience of the year (and I don't even like cricket).' Heather Taylor Johnson, Sydney Morning Herald's Year in Reading 'Blow me down if I didn't hang on every word.' Clare Wright, Best Books of 2016, Australian 'One of the great novels written about sport...Delicious. It's the top read of the summer.' Stuff NZ 'A deeply interesting novel about sibling rivalry, family, masculinity, and the game of cricket...Serong is a talented storyteller, and he brings this unusual world to life.' Booklist 'Merges my childhood dreamscape of hot days and sporting ambition with a page-turning thriller set within the rot of professional sport. Beautifully Melbourne. Get on it!' Tony Wilson 'Readers who have fallen in love with Australian mysteries, thrillers and crime novels have a whole world to discover with fantastic authors bringing the southern hemisphere to life...As in the UK, cricket is a national passion in Australia and Jock Serong delves into the murky world of professional sportsmen.' Jane Harper, Daily Mail

An Amazon Top 20 bestseller.***Each Joe Dillard novel can be read as a standalone.***A young exotic dancer claims she was sexually assaulted at a party thrown by a university football team.Three players stand accused.In the ninth installment of the best-selling Joe Dillard series, Dillard finds himself defending one of the players accused of assaulting the young woman. The case receives national attention, quickly escalating into a platform for deep-seeded division and hatred. It also ensnares Dillard, along with his son, Jack, and Charleston Story into a web of lies and deceit spun by a mysterious figure with a hidden agenda.Meanwhile, his wife, Caroline, continues her fight against metastatic breast cancer, and his sister, Sarah, comes back into the picture. Culminating in a courtroom scene worthy of Perry Mason, Dillard must take on one of the most difficult cases of his career. Will justice prevail? Or will the weight of the criminal justice system grind Joe and his client to dust?'Pratt's richly developed characters are vivid and believable, especially the strong Southern women who fight their male-dominated culture from behind a facade of vulnerability.' -Publishers Weekly
