Most Dangerous Mountain
Ed Viesturs
Mountain by Ed Viesturs with
David Roberts. K2 is the
world's second tallest
mountain. Located in the
Karakoram Range in northern
Pakistan, it has more than
earned its nickname as the
"world's most dangerous
mountain."

K2: Life and Death on the World's Most Dangerous Mountain ...

In K2: Life and Death on the World's Most Dangerous Mountain, Viesturs explores the remarkable history of the mountain and of those who have attempted to conquer it. At the same time he probes K2's most memorable sagas in an attempt to illustrate the lessons learned by confronting the fundamental questions raised by mountaineering - questions of risk, ambition, loyalty to one's teammates, self-sacrifice, and the price of glory.

Adventure and death
sometimes go hand in hand.
Climbing K2 provides an
abundance of mountaineering
adventure with the always
looming prospect of death.
This story is a riveting
explanation of the
personalities and decisions
that lead to the tragic loss
of eleven lives on the
slopes of an unforgiving and
heartless mountain.
