Love Be Mine: A Regency Romance Valentine's Day—

Named a most anticipated romance by Oprah Daily, Marie Claire, BuzzFeed, PopSugar, and more! The author of the “hilarious...joyful, elegant” (Publishers Weekly, starred review) To Have and to Hoax returns with an effervescent, charming, and swoon-worthy novel about a man and woman who never agree on anything—until they agree to a no-strings-attached affair in this Regency-era romp. The widowed Diana, Lady Templeton and Jeremy, Marquess of Willingham are infamous among English high society as much for their sharp-tongued bickering as their flirtation. One evening, an argument at a ball turns into a serious wager: Jeremy will marry within the year or Diana will forfeit one hundred pounds. So shortly after, just before a fortnight-long house party at Elderswild, Jeremy’s country estate, Diana is shocked when Jeremy appears at her home with a very different kind of proposition. After his latest mistress unfavorably criticized his skills in the bedroom, Jeremy is looking for reassurance, so he has gone to the only woman he trusts to be totally truthful. He suggests that they embark on a brief affair while at the house party—Jeremy can receive an honest critique of his bedroom skills and widowed Diana can use the gossip to signal to other gentlemen that she is interested in taking a lover. Diana thinks taking him up on his counter-proposal can only help her win her wager. With her in the bedroom and Jeremy’s marriage-minded grandmother, the formidable Dowager Marchioness of Willingham, helping to find suitable matches among the eligible ladies at Elderswild, Diana is confident her victory is assured. But while they’re focused on winning wagers, they stand to lose their own hearts. With Martha Waters’s signature “cheeky charm and wonderfully wry wit” (Booklist, starred review), To Love and to Loathe is another clever and delightful historical rom-com that is perfect for fans of Christina Lauren and Evie Dunmore.

Once burned by her love, he’s not fool enough to fall again. But this fiery vixen will not be denied. As they unravel a mystery together, will they find their way back to each other ... or be lost forever? The younger son of a viscount and an established London rogue, Christopher Bowden sets out for Paris with only two objectives. Number one: find Meera Hutton. Number two: get away from her as quickly as possible. Christopher vows he will not let the clever, enchanting Meera pull him in and break his heart again. But when he discovers the plot that has ensnared Meera, his loyalty and duty leave him no choice but to come to her aid. Surprised to find herself reunited with the man she once loved, headstrong Meera cannot resist the embers of desire burning between them. Having spent the last decade relishing her hard-won independence, Meera is fascinated and confused by the strong connection she has to Christopher. As her life begins to fall apart, she finds herself turning to him again and wondering what her future...or their future...might hold. Together they cross the continent, an ocean, and the deep divide of the past, reaching a new crescendo of passion and love that could end in heartbreak or eternity. Love Once Lost is a historical Regency enemies-to-lovers, second-chance romance. ----- The Hesitant Husbands is a steamy Regency romance series. Each book can be read and enjoyed as a stand-alone romance novel. Love Once Lost is Book 2 in the series, but the third story chronologically.

Just shy of fifteen years old, and during a fake an impromptu wedding ceremony, Lily Scott married her best friend's brother, Henry Dalton. It seemed harmless enough until he leaned in and whispered to her his true feelings, amorous words she has been unable to forget: Now you're mine, forever and always. Unfortunately, growing up places obstacles in their path, pulling them apart and turning Henry into a pompous rake. Can a mischievous matchmaker, a mysterious letter, and a scandalous house party be enough to reunite these two misguided hearts and give them a second chance at true love? *Mine, Forever and Always is a historical Regency romance novella of 25,000 words. There is some angst with a much anticipated happily ever after.

Love arrives at the most unexpected time . . . 1821: Elias Roch has ghastrly luck with women. He met Josephine De Clare once and penned dozens of letters hoping to find her again. 2021: Josie De Clare has questionable taste in boyfriends. The last one nearly ruined her friendship with her best friend. Now, in the wake of her father's death, Josie finds Elias's letters. Suddenly she's falling in love with a guy who lived two hundred years ago. And star-crossed doesn't even begin to cover it. . . .“Dearest Josephine is the type of story that becomes your own. The characters’ heartaches worked their way into my own chest until I hurt with them, hoped with them, and dared to dream with them. This book is teeming with swoon-worthy prose, adorable humor, and an expert delivery of ‘Will they end up together?’ I guarantee you’ll be burning the midnight candle to a stub to get answers. Step aside Pride and Prejudice, there’s a new romance on the English moors.” —Nadine Brandes, author of Romanov “Caroline George infuses an epistolary love story with a romance and charm that crosses centuries. Touching and inventive, it bursts with wit, warmth, and a blending of classic and contemporary that goes together like scones and clotted cream. Dearest Josephine is a delight.” —Emily Bain Murphy, author of The Disappearances “Dearest Josephine is more than an immersive read. It is a book lover’s dream experience. Josie’s residence in a gothic English manor and her deeply romantic connection to Elias, who lived years in the past, is as chillingly atmospheric as Rochester calling across the moors. This story is George’s treatise on the power of books and character to creep across centuries, to pull us close and invite us to live in a fantasy where we find love—literally—in the kinship of ink and binding. But it also acknowledges the dangers of letting ourselves fall too deeply when sometimes an equally powerful connection is waiting next door. This love letter to books, and the readers who exist in and for them, is a wondrously singular escape.” —Rachel McMillan, author of The London Restoration and The Mozart Code Romantic and evocative read in both contemporary and historical time periods Stand-alone novel Book length: 86,000 words Includes discussion questions for book clubs

1815. Lady Grace Carpenter is ready to seize the day—–or rather, the night--with the most compelling man she's ever known. Marriage would mean losing guardianship of her beloved siblings, and surely no sane gentleman will take on seven children not his own. But if she can have one anonymous tryst with Matheus, Earl of Worthington, Grace will be content to live out the rest of her life as a spinster. Matt had almost given up hope of finding a wife who could engage his mind as well as his body. And now this sensual, intelligent woman is offering herself to him. What could be more perfect? Except that after one wanton night, the mysterious Grace refuses to have anything to do with him. Amid the distractions of the Season he must convince her, one delicious encounter at a time, that no obstacle--or family--is too much for a man who's discovered his heart's desire. 6.

Poor Lord Anselm, left with the care of his cheeky young ward, with only her calm and competent governess to aid him. But all was not as it seemed, or so he learned very nearly too late.

Miss Amelia Blackmore has received the most interesting letter. The Dowager Duchess of Harrowden has requested that she visit Harrowden Hall under the guise of being her companion. Her true motive, however, is to successfully pair her son, the duke, with a potential love match. Intrigued by the prospect, Amelia sets off on an adventure, unprepared for the duke's reaction to his mother's new companion. Edmund, the Duke of Harrowden, is miserable and has no qualms about showing it. When a young lady shows up claiming to be his mother's new companion, he immediately dismisses her. To his surprise, she defies him. Who does she think she is? No one dares defy him!Edmund is adamant that Amelia needs to go, so he continuously strives to rid Harrowden Hall of his mother's vexing companion. Soon, he realizes that there is more to her than what he first observed, making him in real danger of losing his heart to Amelia. When the truth finally is revealed, can Edmund let go of his pride - and his past - to go after the woman he loves?

From Paris to New Orleans, two hearts test the bounds of passion, duty and revenge in Shirlee Busbee’s, Gypsy Lady. —Paris, 1802— While in disguise and dancing in a Gypsy encampment, Lady Catherine Tremayne ignites Jason Savage’s interest and his passion. Believing her a Gypsy, he whisks her away as his own, and when he discovers her true identity, insists they marry. But gaining a wife does not terminate Jason’s dangerous government mission or the revenge he seeks. Yet passion has a way of interfering with Agent Savage’s well-laid plans as Catherine refuses to accept anything less than his whole heart in exchange for the fire burning deep in her Gypsy soul. Publisher Note: Shirlee Busbee’s page-turning historical romance transports readers to a world of strong men, vibrant women, heart-stopping plot twists, and breathless passion that is not for the faint of heart. Don't miss these other titles from Shirlee Busbee: THE

Mercedes Maxwell is devastated when her twin sister is driven to take her own life by none other than her husband, William Braxton. Determined to make her brother-in-law pay for the injustice, Mercedes travels to Dorchester, England to find him. She is shocked to find that William is unaware of his wife's death, and when Mercedes is mistaken for her sister, she decides to pose as her twin to glean some answers. Mercedes embarks on an adventure she never dreamed of in hopes of bringing justice to her sister. Instead of justice, Mercedes uncovers a plethora of secrets and mystery. As she works to unravel the mystery and discovers who she can trust, Mercedes finds that all is not as it seems, and that William Braxton may be the one man she can trust.

From New York Times bestselling author Julia London comes the second novel in her irresistibly romantic Desperate Debutantes trilogy, in which three suddenly destitute aristocratic young ladies must resort to desperate means to keep up appearances...and find the husbands of their dreams. Lady Greer Fairchild's only hope of avoiding marriage to the first bidder lies in journeying into the untamed Welsh countryside in search of an inheritance she's not sure even exists -- one reportedly controlled by Rhodrick Glendower, Earl of Radnor, also known as the Prince of Powys. Rumor has it that the prince is rough, ruthless -- even a murderer. But Greer never imagined that the brute would refuse to let her leave his remote castle until she has proven her identity. Or that she would find herself powerfully attracted to this passionately virile man whose gruff demeanor belies a proud and sensual nature. The further Greer falls under his spell, the more determined she becomes to unravel the secrets of her Welsh heritage and the mystery surrounding the dark prince who dares her to become his wife and princess.
