April Halprin Wayland's newest picture book, MORE THAN
ENOUGH--A Passover Story, illustrated by Katie Kath, is
about being grateful for each moment. Each moment is more
than enough. Her picture book, NEW YEAR AT THE PIER--A
Rosh Hashanah Story, won the Sydney Taylor Gold Award
for Younger Readers and received a starred review in
Publishers Weekly.

More Than Enough: A Passover Story by April Halprin
Wayland

More Than Enough is a beautiful book of thanksgiving,
tradition, and family. I love the warm and inviting feeling that
persists throughout the story. The illustrations are gorgeous,
too. If you're looking for a good children's book about
Passover, or if you're kids want to learn about this tradition,
this is a great book to start with.

Why Passover 2020 during the coronavirus quarantine is ...
Dayenu (It Would Have Been Enough) is a song traditionally
sung during the telling of the story of Exodus at the Passover
Seder. The song's stanzas list a series of kindnesses God
performed for the Jewish people during and after the Exodus
and concludes each with the word dayenu – it would have
been enough.

Dayenu: It Would Have Been Enough | My Jewish Learning
Praise For More Than Enough – Works equally well as a
primer on Passover and a reminder for any child, Jewish or
not, that any day can be filled with things that feel like
blessings . . . Hum[s] with personality and lively details.

Passover Books - Goodreads

Passover, Hebrew Pesah, or Pesach, in Judaism, holiday commemorating the Hebrews' liberation from slavery in Egypt and the "passing over" of the forces of destruction, or the sparing of the firstborn of the Israelites, when the Lord "smote the land of Egypt" on the eve of the Exodus. The festival thus marks the first and most momentous event in Jewish history.

TeachingBooks | More Than Enough: A Passover Story
Like her earlier title, I enjoyed More Than Enough quite a bit, finding in it a lovely celebration of Jewish traditions at Passover, as they are enacted by one modern city family. There is less of a story here than in New Year at the Pier - the

Download Ebook More Than Enough A Passover Story

text is shorter, with one sentence per page, followed by the refrain - but there is also more of a feeling of this being a song - a song of joy.

More Than Enough is a beautiful book of thanksgiving, tradition, and family. I love the warm and inviting feeling that persists throughout the story. The illustrations are gorgeous, too. If you're looking for a good children's book about Passover, or if your kids want to learn about this tradition, this is a great book to start with.

A family's Passover celebration is equal parts warmth and charm in this cozy picture book, with the traditional seder song "Dayenu" as the grateful refrain. In this story told in spare, lyrical prose, a Jewish family prepares for their Passover seder, visiting the farmer's market for walnuts, lilacs, and honey (and adopting a kitten along the way!), then chopping apples for the charoset, and getting dressed up before walking to Nana's house. The refrain throughout is "Dayenu"--a mind-set of thankfulness, a reminder to be aware of the blessings in each moment. At Nana's, there's matzo ball soup, chicken, coconut macaroons, and of course, the hidden afikomen. After opening the door for Elijah and singing the verses of "Chad Gadya," Nana tucks the children in for a special Passover sleepover. This warm, affectionate story embraces Passover in the spirit of dayenu, and offers a comprehensive glossary--it's a perfect read for the entire family in anticipation and celebration of the holiday.

For generations Nachshon's family has been enslaved by the Egyptian Pharaoh. Nachshon is afraid it will be his destiny too. Then Moses confronts the fearsome Pharaoh, and Nachshon's dream of freedom begins to come true. But soon he has to overcome his own special fear. The story of the brave boy who was the first to jump into the sea will inspire young and old alike.

A neon blue horse carries a girl into the night sky, where she picks a bouquet of stars and feeds them to her steed.

companion makes finding the right picture books for your library a breeze. □ Offers easy subject access to children's picture books □ Features a user-friendly organization □ Provides in-depth indexing and full bibliographic detail

In this charming and witty Passover story about kindness, community, tradition, and forgiveness, a little mouse disrupts a town's preparations for the holiday when it steals a piece of leavened bread—or chometz—just as all the houses have been swept clean in time for the holiday. It's the morning before the start of Passover, and all the villagers have swept their homes clean of leavened bread, in keeping with the traditions of the holiday. Suddenly, a small mouse steals a piece of bread and tears through the town, spoiling everyone's hard work. But just when it seems as if the townsfolk will never be ready for their Seder, the little mouse's actions unwittingly bring everyone together, to work as a group to save the holiday. Jewish families at Passover will embrace this rollicking, funny, and ultimately inspiring story—based on an original tale from the Talmud—that weaves together the themes of community, kindness, charity, and forgiveness. It's sure to become a modern holiday classic that's shared year after year among the generations. An afterword discusses the story from the Talmud that the author used as her inspiration and includes a glossary of terms that will be useful to young readers. □ "An excellent addition to the Jewish tradition."—Kirkus, starred review

Relates what happens when the family parrot steals the afikomen at the Passover seder.

In the tradition of *The Year of Living Biblically* by A.J. Jacobs

Download Ebook More Than Enough A Passover Story

and *Walking the Bible: A Journey by Land Through the Five Books of Moses* by Bruce Feiler comes Abigail Pogrebin's *My Jewish Year*, a lively chronicle of the author's journey into the spiritual heart of Judaism. Although she grew up following some holiday rituals, Pogrebin realized how little she knew about their foundational purpose and contemporary relevance; she wanted to understand what had kept these holidays alive and vibrant, some for thousands of years. Her curiosity led her to embark on an entire year of intensive research, observation, and writing about the milestones on the religious calendar. Whether in search of a roadmap for Jewish life or a challenging probe into the architecture of Jewish tradition, readers will be captivated, educated and inspired by Abigail Pogrebin's *My Jewish Year*.
