The crime mystery and thriller genres are full of protagonists who claim they will go to any lengths to stop a killer, but computation biologist Dr. Theo Cray will give them all a run for their money in this totally insane and off-the-wall third volume of Andrew Mayne's exciting Naturalist series.

Murder Theory (The Naturalist Book 3) eBook: Mayne, Andrew ...

Murder Theory is the third instalment in Andrew Maine's Naturalist series and is yet again a compelling and completely engrossing read. I think this could be read as a stand-alone although personally I would advise readers to check out the first two books in the series as they're both great reads and on top of that it will give a better understanding of the main character, Theo Cray.
