This book is a simple tutorial guide with practical issues and their solutions, aimed at enabling readers to implement the various features of the SAP HCM module. If you are familiar with ERP products, and would like to leverage knowledge and fine-tune your configuration skills, then this book is for you. This

Download File

PDF Sap Us

Book is aimed at readers who want to learn about SAP HCM and its most popular functionalities.

Practical Guide to Human Resource Information Systems (HRIS) is a comprehensive presentation on global HRIS implementations and the associated challenges faced in such global

Download File

PDF Sap Us

projects. It begins with the basic HR and IT concepts and guides the readers through the complete life cycle of HRIS applications, spanning from planning to execution. Both HR and IT play an equal role in the development of HRIS applications. This book will help students from both HR and IT streams in

Download File

PDF Sap Us

assimilating the intricacies of implementation of HRIS projects. HR is one of the most popular ERP product implementation topics in today ' s business world. Its implementation needs a practical discussion using examples from real world. The examples, the case study

Download File

PDF Sap Us

and discussions in the book follow an international approach rather than discussing only a single country HRIS implementations.

A real-life case study that flows through various chapters of the book brings out challenges in the implementation of HR specific projects. In today ' s global

Download File

PDF Sap Us

economy, HR is changing fast and dives into areas such as strategy outsourcing, mergers and acquisitions (M & A). This book covers all these areas and other topics that are relevant to today ' s HR world, providing more value to the readers. It provides illustrations to assist readers in visualizing the topics

PDF Sap Us

discussed and in
developing a sound
understanding of the
integration and data
aspects of HRIS
systems. This book will
be useful as a text for a
course in HRIS
wherever prescribed for
the MBA (HR) and
MBA (IT) students. The
book encourages self-
directed study and
thought process, based

Download File

PDF Sap Us

on references provided at the end of each chapter, and hence will also be useful to consultants, HR professionals, and IT professionals working with HR departments.

This book is about the SAP SuccessFactors system and the implementation process. Its primary objective is

Download File

PDF Sap Us

to help the reader ensure a successful implementation. It does this by making them more familiar with the HCM suite, helping them to understand and navigate the pitfalls, and providing detailed guidelines on how to manage the implementation.

The first and only book

Page 45/49
