Snare Reykjavik Noir

Snare was brilliantly translated by Quentin Bates, an accomplished writer of Nordic Noir himself, which made this story flow seamlessly throughout the pages until the perfect ending. I thoroughly enjoyed my first venture into the writing of Lilja Sigurdardottir and look forward to reading more books from her in the future.

Amazon.co.uk:Customer reviews: Snare (Reykjavik Noir)

The story is set to Reykjavik and it is the first book of a trilogy titled "Reykjavik Noir". The story is interesting, the evolution of the plot is gradual and keeps the reader on edge while feeling nothing but sympathy for the main character, no matter how ambiguous and shady her actions could be.

Reykjavik Noir Series Audiobooks | Audible.co.uk

Set shortly after the financial crash in Iceland, amidst the ashy atmosphere of the Eyjafjallajökull volcano erupting, this classy intelligent novel is the second in the Reykjavík Noir series by Lilja Sigurðardóttir. I enjoyed the first one in the series Snare very much and this one totally blew me out of the water!
