Stolen into Slavery (Excerpt) | History News Network

In 1840, the New York State Legislature had passed a law committing the state to help any African-American residents kidnapped into slavery, as well as guaranteeing a jury trial to alleged fugitive slaves. Once Northup's family was notified, his rescuers still had to do detective work to find the enslaved man, as he had partially tried to hide his location for protection in case the letters fell into the wrong hands, and Bass had not used his real name.

The true story behind the acclaimed movie 12 Years a Slave, this book is based on the life of Solomon Northup, a free black man from New York who was captured in the United States and sold into slavery in Louisiana. Solomon Northup awoke in the middle of the night with his body trembling. Slowly, he realized that he was handcuffed in a dark room and his feet were chained to the floor. He managed to slip his hand into his pocket to look for his free papers that proved he was one of 400,000 free blacks in a nation where 2.5 million other African Americans were slaves. They were gone. This remarkable story follows Northup through his 12 years of bondage as a man kidnapped into slavery, enduring the hardships of slave life in Louisiana. But the tale also has a remarkable ending. Northup is rescued from his master's cotton plantation in the deep South by friends in New York. This is a compelling tale that looks into a little known slice of history, sure to rivet young readers and adults alike. National Geographic supports K-12 educators with ELA Common Core Resources. Follows the remarkable story of Solomon Northup--a free black man who was kidnapped and forced into slavery--through his 12 years of bondage in Louisiana until friends from New York rescued him from a cotton plantation.

Follows the story of Solomon Northup--a free black man who was kidnapped and forced into slavery--through his twelve years of bondage in Louisiana until friends from New York rescued him from a cotton plantation.

This [superbly researched and engaging] (The Wall Street Journal) true story about five boys who were kidnapped in the North and smuggled into slavery in the Deep Southland their daring attempt to escape and bring their captors to justice belongs [alongside the work of Harriet Beecher Stowe, Edward P. Jones, and Toni Morrison] (Jane Kamensky, Professor of American History at Harvard University). Philadelphia, 1825: five young, free black boys fall into the clutches of the most fearsome gang of kidnapers and slavers in the United States. Lured onto a small ship with the promise of food and pay, they are instead met with blindfolds, ropes, and knives. Over four long months, their kidnapers drive them overland into the Cotton Kingdom to be sold as slaves. Determined to resist, the boys form a tight brotherhood as they struggle to free themselves and find their way home. Their ordealan odyssey that takes them from the Philadelphia waterfront to the marshes of Mississippi and then onward stillshines a glaring spotlight on the Reverse Underground Railroad, a black market network of human traffickers and slave traders who stole away thousands of legally free African Americans from their families in order to fuel slavery's rapid expansion in the decades before the Civil War. [Rigorously researched, heartfelt, and dramatically concise, Bell's investigation illuminates the role slavery played in the systemic inequalities that still confront Black Americans] (Booklist).

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free Stateand having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve yearslit has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

The true story behind the acclaimed movie 12 Years a Slave, this book is based on the life of Solomon Northup, a free black man from New York who was captured in the United States and sold into slavery in Louisiana.

This is the true story of Solomon Northup, a free black man from New York who was captured in the United States and sold into slavery in Louisiana. Drawing from primary source documents, including Northup's own memoir, this compelling book has a narrative that is packed with the action of Solomon's 12 - year odyssey as a slave and historical perspective on the human experience of buying and selling human beings. Period artwork is included to given even more historical context to this stunning story.

In this groundbreaking modern slave narrative, Francis Bok shares his remarkable story with grace, honesty, and a wisdom gained from surviving ten years in captivity. May, 1986: Selling his mother's eggs and peanuts near his village in southern Sudan, seven year old Francis Bok's life was shattered when Arab raiders on horseback, armed with rifles and long knives, burst into the quiet marketplace, murdering men and women and gathering the young children into a group. Strapped to horses and donkeys, Francis and others were taken north, into lives of slavery under wealthy Muslim farmers. For ten years, Francis lived alone in a shed near the goats and cattle that were his responsibility. Fed with scraps from the table, slowly learning bits of an unfamiliar language and religion, the boy had almost no human contact other than his captor's family. After two failed attempts to escape--each bringing severe beatings and death threats--Francis finally escaped at age seventeen, a dramatic breakaway on foot that was his final chance. Yet his slavery did not end there, for even as he made his way toward the capital city of Khartoum, others sought to deprive him of his freedom. Determined to avoid that fate and discover what had happened to his family on that terrible day in 1986, the teenager persevered through prison and refugee camps for three more years, winning the attention of United Nations officials and being granted passage to America. Now a student and an anti-slavery activist, Francis Bok has made it his life mission to combat world slavery. His is the first voice to speak for an estimated twenty seven million people held against their will in nearly every nation, including our own. Escape from Slavery is at once a riveting adventure, a story of desperation and triumph, and a window revealing a world that few have survived to tell.

Follows the remarkable story of Solomon Northup--a free black man who was kidnapped and forced into slavery--through his 12 years of bondage in Louisiana until friends from New York rescued him from a cotton plantation.
