Bill Evans (1929-1980) is one of the highest regarded jazz pianists in the history of jazz. His harmonic and rhythmic language in combination with superb taste and technical perfection places him in a category by himself. His style of harmonization and improvisation has been an inspiration to countless pianists as well as other instrumentalists in the field of jazz. This book of original musical studies and analyses by Corey Christiansen and Per

Danielsson is designed to help you develop your own personal improvising style. It presents numerous musical lines with chord symbols in the style of Bill Evans, grouped by the harmony they can be used against. The audio play-along provides a rhythm section backup for each of the exercises. To help the player master all keys, each section also has a play-along on the audio that modulates around the circle of fourths. Some of the techniques used in the style of Bill Evans are discussed and examples shown, helping musicians analyze each of the ideas presented, further insuring mastery of these ideas. When assimilated into the student's musical vocabulary, these ideas will help students create their own original jazz solos. Includes access to online audio. Also available in Japanese from ATN, Inc

Class-tested and coherent, this textbook teaches classical and web information retrieval, including web search and the related areas of text classification and text clustering from basic concepts. It gives an up-to-date treatment of all aspects of the design and implementation of systems for gathering, indexing, and searching documents; methods for evaluating systems; and an introduction to the use of machine learning methods on text collections. All the important ideas are explained using examples and figures, making it perfect for introductory courses in information retrieval for advanced undergraduates and graduate students in computer science. Based on feedback from extensive classroom experience, the book has been carefully structured in order to make teaching more natural and effective. Slides and additional exercises (with
