History of Grayville, Illinois from the 1800s to the 1920s told through newspaper clippings.

The strange and gruesome crime-scene snapshot collection of LAPD detective Jack Huddleston spans Southern California in its noir heyday. Death Scenes is the noted forerunner of several copycat titles.

Filled to the brim with images, this scrapbook of the 1930s overflows with nostalgia, for those who remember that extraordinary era. For those who do not, this wealth of imagery provides a vivid insight into a time when sliced bread had just reached the

This book explores the history of scrapbook-making, its origins, uses, changing forms and purposes as well as the human agents behind the books themselves. Scrapbooks bring pleasure in both the making and consuming - and are one of the most enduring yet simultaneously changing cultural forms of the last two centuries. Despite the popularity of scrapbooks, no one has placed them within historical traditions until now. This volume considers the makers, their artefacts, And The viewers within the context of American culture. The volume's contributors do not show the reader how to make scrapbooks or improve techniques but instead explore the curious history of what others have done in the past and why these splendid examples of material and visual culture have such a significant place in many households.
