Enjoy another witty, emotional book in New York Times and USA Today bestselling author Erica Ridley's fan-favorite Dukes of War regency romance series! Miss Katherine Ross is a wealthy, eccentric socialite who knows precisely what she wants: No husband. No children. No candlelit tête-à-tête with the insufferably emotionless Duke of Ravenwood. She's convinced his heart is ice — until she touches that chiseled chest for herself. One lapse in judgment is all it takes to turn both their lives topsy-turvy... The Duke of Ravenwood isn't cold and haughty, but a secret romantic who has always dreamt of marrying for love. Instead, he gets Miss Katherine Ross — a headstrong hoyden intent on unraveling his carefully ordered world. He doesn't know whether to kiss her or throttle her. Can they survive each other's company long enough to turn a compromise into love? Grab the first book in the series FREE: *The Viscount's Tempting Mix!*

If adventure has a name...it must be Lady India Rochester. The intrepid archaeologist possesses a sharp blade and an even sharper knack for uncovering history's forgotten women. Unfortunately, she has one annoying weakness: the dangerously handsome Duke of Ravenwood. Former best friend. Current enemy. And the man who dared to break her heart. Daniel Bonds, the Duke of Ravenwood, is a thrill-seeking antiques hunter who only plays by one rule: Never fall in love. He's in it for the fortune and glory. At least that's what he wants the world to think. He's sworn to hide his tangled web of secrets, especially from the one woman he cares about and will protect at any cost. But when a priceless relic is stolen from the British Museum, the rivals must align forces. Racing to recover the stolen antiquity and avert an international disaster? All in a day's work. Avoiding their buried feelings? More and more impossible. For love is about to become the greatest treasure of all. The grand adventure begins...now!

The Mad Duke leaned in closer, his lips gently brushing her ear, and whispered, "I dare you." She Can't Resist the Dare Lillian Phillips could not imagine how her quiet, simple life had come to this. Blackmailed by the Mad Duke of Thornwood into accepting one wild dare after another...all because of a pocket watch. Desperate to recover her beloved father's pawned timepiece, Lily did something reckless and dangerous and delicious—something that led to a night she'd never forget. He has a Reputation for Scandal When Devon Grey, Duke of Thornwood, runs into a mesmerizing, intoxicating, thieving woman who literally stole from his bedchamber—with his new pocket watch—Devon plots his revenge. If the daring wench likes to play games, he's happy to oblige. After all, what's the ruse of being the Mad Duke if you can't have some fun? But the last laugh might just be on him... Celebrate the 80th birthday of Regency Romance with great books from Sourcebooks Casablanca!

She's totally unsuitable.... ..to be his duchess! Part of The Beauchamp Heirs: Dominic Beauchamp, Lord Avon, is a powerful duke's heir and it's his duty to marry well. His bride must have impeccable breeding, manners and grace. But can anyone meet his exacting standards? Certainly not the irrepressible Liberty Lovejoy, who's been thrust into society after years of being a provincial nobody. She's too bold, too bubbly...so why is she the only lady he's thinking about?

"Smart, sexy, and oh-so romantic." —Mary Balogh, New York Times bestselling author **THEY CALL HIM THE DUKE OF MURDER**... The gossips whisper that the new Duke of Murdoch is a brute, a murderer, and even worse—a Scot. They say he should never be trusted alone with a woman. But Megan Windham sees in Hamish something different, someone different. No one was fiercer at war than Hamish MacHugh, though now the soldier faces a whole new battlefield: a London Season. To make his sisters happy, he'll take on any challenge—even letting their friend Miss Windham teach him to waltz. Megan isn't the least bit intimidated by his dark reputation, but Hamish senses that she's fighting battles of her own. For her, he'll become the warrior once more, and for her, he might just lose his heart.

Lady Mary Wortley Montagu (1689-1762) is one of the most important women writers between Aphra Behn and Jane Austen, and one of her period's most provocative and entertaining writers of either sex. The narratives in this volume, with the exception of one juvenile piece, have never been printed before. They show the author experimenting with the genres of fiction and autobiography, more influenced by French models than by English, but always working experimentally against the grain of her various traditions. Besides page-turning narrative, these works offer the rare opportunity of a completely fresh take on literary movements, cross-cultural relations, gender ideologies, and other literary debates of the early eighteenth century. Our existing picture of what was once possible in literature and what was possible for women at this time cannot remain unchanged once these writings appear.

Nigel Bryant's is the first translation of an example of the many medieval romances about Alexander, as popular in their day as those about Arthur.
