compatible with, and indeed may justify, inequalities of outcome of some sort, but there is considerable disagreement over precisely to what degree and what kind of inequalities it justifies and how it does so.

equal opportunity | Definition & Facts | Britannica

The term “ equal opportunities ” upholds the idea that all workers within an organisation should be entitled to and have access to all of the organisations facilities at every stage of employment, including the pre-employment phase. This means every individual should have: An equal chance to apply and be selected for posts pre-employment
