The Hero's Lot is the second installment in The Staff and The Sword trilogy by Patrick W. Carr. After being pleasantly surprised by the first book, A Cast of Stones, I was looking forward to starting this one and am glad to say it was also good. I liked how we learned a lot more about Errol in this story and some of it was surprising.

Riveting Sequel from Christian Fantasy's Most Talented New Voice When Sarin Valon, the corrupt secondus of the conclave, flees Erinon and the kingdom, Errol Stone believes his troubles have at last ended. But other forces bent on the destruction of the kingdom remain and conspire to accuse Errol and his friends of a conspiracy to usurp the throne. In a bid to keep the three of them from the axe, Archbenefice Canon sends Martin and Luis to Errol's home village, Callowford, to discover what makes him so important to the kingdom. But Errol is also accused of consorting with spirits. Convicted, his punishment is a journey to the enemy kingdom of Merakh, where he must find Sarin Valon, and kill him. To enforce their sentence, Errol is placed under a compulsion, and he is driven to accomplish his task or die resisting.

2014 Carol Award Winner for Speculative The Fate of the Kingdom Awaits the Cast of Stones In the backwater village of Callowford, roustabout Errol Stone is enlisted by a church messenger arriving with urgent missives for the hermit priest in the hills. Eager for coin, Errol agrees to what he thinks will be an easy task, but soon finds himself hunted by deadly assassins. Forced to flee with the priest and a small band of travelers, Errol soon learns he's joined a quest that could change the fate of his kingdom. Protected for millennia by the heirs of the first king, the kingdom's dynasty nears its end and the selection of the new king begins--but in secret and shadow. As danger mounts, Errol must leave behind the stains and griefs of the past, learn to fight, and discover who is hunting him and his companions and how far they will go to stop the reading of the stones. "With an engaging, imaginative world that bristles with danger, characters that keep you guessing, and a story that sticks with you, A Cast of Stones will keep you devouring pages until the very end. I highly recommend it!" --John W. Otte, author of Failstate "Carr's debut, the first in a series, is assured and up-tempo, with much to enjoy in characterization and description--not least the homely, life-as-lived details." --Publishers Weekly This fast-paced fantasy debut set in a medieval world is a winner. Both main and secondary characters are fully drawn and endearing, and Errol's transformation from drunkard to hero is well plotted. Carr is a promising CF author to watch. Fans of epic Christian fantasies will enjoy discovering a new voice. "Like the preceding series title, Inescapable, this tale of suspense offers a colorful cast of characters, small-town drama, and a hint of romance. A sure bet for fans of Hannah Alexander." --Library Journal "[Good fantasy books] have to be excellent. Good storytelling and exceptional characters with circumstances that are easy enough to follow and wrap your brain around but keep you entertained and guessing... Cast of Stones has found itself firmly in that list of books. I absolutely, one hundred percent loved this book." --Radiant Lit

Dark Forces Have Gathered and the Final Battle for Illustra Has Begun Their journey to Merakh should have made Errol and his companions heroes of the realm. Instead, they've been branded enemies of the kingdom. In the wake of the king's death, Duke Weir is ruling the country--and he intends to marry Adora to bring an heir from the royal line. With Errol and the others imprisoned and the identity of the rightful heir to the throne still hidden in secrecy, Illustra is on the verge of civil war--and threatened by hostile forces gathering on every side. A dangerous mission to free Errol is attempted, but the dangers facing the kingdom mount with every passing moment. The barrier has fallen, ferrals are swarming toward the land, and their enemies draw ever closer. Will the discovery of the true heir turn back the tide of Illustra's destruction? Praise for The Staff and the Sword series "This fast-paced fantasy debut set in a medieval world is a winner. Both main and secondary characters are fully drawn and endearing...Fans of epic Christian fantasies will enjoy discovering a new voice." Library Journal (starred review) on A Cast of Stones "The adrenaline level remains high..." Publishers Weekly on The Hero's Lot "The Hero's Lot is a spellbinding, edge-of-your-seat thrill ride that will leave you breathless and reeling from the truly masterful and immensely pleasurable writing of Patrick W. Carr." Radiant Lit

Patrick Carr Launches a New Suspense-filled Fantasy Epic When one man is brutally murdered and the priest he works for mortally wounded on the streets of Bunard, Willet Dura is called to investigate. Yet the clues to the crime lead to contradictions and questions without answers. As Willet begins to question the dying priest, the man pulls Willet close and screams in a foreign tongue. Then he dies without another word. Willet returns to the city, no closer to answers than before, but his senses are skewed. People he touches appear to have a subtle shift, a twist seen at the edge of his vision, and it's as though he can see their deepest thoughts. In a world divided between haves and have-nots, gifted and common, Willet soon learns he's been passed the rarest gift of all: a gift that's not supposed to exist. Now Willet must pursue the murderer still on the loose in Bunard even as he's pulled into a much more dangerous and epic conflict that threatens not only his city, but his entire world--a conflict that will force him to come to terms with his own tortured past if he wants to survive.

"He Walks with Dragons" takes place when what was, what is, and what shall be were one in the same. Draig, a boy on the verge of his manhood, is summoned to the majestic mountain by the Great Ones. There he finds out he is about to transcend the ages and risk his life to prevent the destruction of mankind. Born into the naïve innocence of ancient man, Draig lives a simple pastoral existence in a quiet, small village. But one day he is flung on a magical journey into a forbidden new world. There, Draconos, a dragon, befriends the boy, training him in the art of warfare. From this day forward, the young boy finds himself in awe at the wonders the world holds for him. Not only has Draig become a man, but he is living like a dragon and learning their mystical powers. "From the time Man first crawled upon this earth...we found him worthy to take his rightful place among the creatures that walk upon the earth. While hiding in the shadows, we have protected him. We have nurtured him all these many ages. But now man grows in great numbers and makes war on everything he sees." And when the time comes, will Draig be willing to lay down his life for the sake of saving the dragons? And when the dragons are gone, where will he go? He is no longer just a man.

Following his vision of the coming Messiah, the prophet Daniel creates a select group of men who will count down the calendar to the arrival of Israel's promised king. Centuries later, as the day nears, Myrad, a young magi acolyte, flees for his life when his adoptive father and others are put to death by a ruthless Parthian queen. Having grabbed only a few possessions, Myrad escapes the city, and searching for a way to hide from the soldiers scouring the trade routes, he tries to join the caravan of the merchant Walagash. The merchant senses that Myrad is hiding secrets, but when the young man proves himself a valuable traveler, an epic journey filled with peril, close escapes, and dangerous battles begins. With every day that passes, the calendar creeps closer to the coming Messiah. And over everything shines the dream of a star that Myrad can't forget and the promise that the world will never be the same.

Barnes and Noble listed No Hero as one of the 20 best paranormal fantasy novels of the last decade - now available in mass market paperback! "What would Kurt Russell do?" Oxford police detective Arthur Wallace asks himself that question a lot. Because Arthur is no hero. He's a good cop, but prefers that action and heroics remain on the screen, safely performed by professionals. But then, secretive government agency MI12 comes calling, hoping to recruit Arthur in their struggle against the tentacled horrors from another dimension known as the Progeny. But Arthur is NO HERO! Can an everyman stand against sanity-ripping cosmic horrors?

Percy is confused. When he awoke after his long sleep, he didn't know much more than his name. His brain-fuzz is lingering, even after the wolf Lupa told him he is a demigod and trained him to fight. Somehow Percy managed to make it to the camp for half-bloods, despite the fact that he had to continually kill monsters that, annoyingly, would not stay dead. But the camp doesn't ring any bells with him. Hazel is supposed to be dead. When she lived before, she didn't do a very good job of it. When the Voice took over her mother and commanded Hazel to use her "gift" for an evil purpose, Hazel couldn't say no. Now, because of her mistake, the future of the world is at risk.
