The Midnight Line is again set in a bleak unpopulated deserted corner of the US (wish he'd return to the city sometimes). But from moment one, one is absorbed in the story which starts with a female's West Point Ring and takes Reacher into the drug trade and those military veterans who are facially disfigured, a particularly cruel injury.

Jack Reacher is back in The Midnight Line – the chilling, deadly new thriller by Lee Child that sees our hero set on a simple quest for justice. Jack Reacher takes an aimless stroll past a pawn shop in a small Midwestern town. In the window he sees a West Point class ring from 2005. It's tiny. It's a woman cadet's graduation present to herself.

tantalizing pop-fiction heroes" (The Washington Post). BONUS: Includes a sneak peek of Lee Child's new novel, Past Tense. Reacher takes a stroll through a small Wisconsin town and sees a class ring in a pawn shop window: West Point 2005. A tough year to graduate: Iraq, then Afghanistan. The ring is tiny, for a woman, and it has her initials engraved on the inside. Reacher wonders what unlucky circumstance made her give up something she earned over four hard years. He decides to find out. And find the woman. And return her ring. Why not? So begins a harrowing journey that takes Reacher through the upper Midwest, from a lowlife bar on the sad side of small town to a dirt-blown crossroads in the middle of nowhere, encountering bikers, cops, crooks, muscle, and a missing persons PI who wears a suit and a tie in the Wyoming wilderness. The deeper Reacher digs, and the more he learns, the more dangerous the terrain becomes. Turns out the ring was just a small link in a far darker chain. Powerful forces are guarding a vast criminal enterprise. Some lines should never be crossed. But then, neither should Reacher. Praise for The Midnight Line "Puts Reacher just where we want him."—The New York Times Book Review "A gem."—Chicago Tribune "A timely, suspenseful, morally complex thriller, one of the best I've read this year . . . Child weaves in a passionately told history of opioids in American life. . . . Child's outrage over it is only just barely contained."—The Philadelphia Inquirer "A perfect example of Lee Child's talent . . . Lee Child is the master of plotting. . . . This is Child's most emotional book to date. . . . This is not just a good story; it is a story with a purpose and a message."—Huffington Post "I just read the new Jack Reacher novel by Lee Child. . . . It is as good as they always are. I read every single one."—Malcolm Gladwell

THE NUMBER ONE BESTSELLER/A RICHARD & JUDY BOOKCLUB 2018 PICK Jack Reacher is having a bad day. It would be a dumb idea to make it worse. Reacher sees a West Point class ring in a pawn shop window. It's tiny. It's a woman cadet's graduation present to herself. Why would she give it up? Reacher was a West Pointer too, and he knows what she went through to get it. All he wants is to find the woman. He'll have to go through bikers, cops, crooks, and low-life muscle. If she's ok, he'll walk away. If she's not . . . he'll stop at nothing. Best advice: stay out of his way. _____ Although the Jack Reacher novels can be read in any order, The Midnight Line follows on directly from the end of Make Me. And be sure not to miss Reacher's newest adventure, no.26, Better off Dead! ***OUT NOW***

While time-traveling brother and sister team Jack and Annie journey to a village in the mountains of southeast China, they find they have arrived on the day of a historic earthquake.

NEW YORK TIMES BESTSELLER □ Get ready for the ultimate Jack Reacher

experience: a thrilling new novella and eleven previously published stories, together for the first time in one pulse-pounding collection from Lee Child. *No Middle Name* begins with "Too Much Time," a brand-new work of short fiction that finds Reacher in a hollowed-out town in Maine, where he witnesses a random bag-snatching but sees much more than a simple crime. "Small Wars" takes readers back to 1989, when Reacher is an MP assigned to solve the brutal murder of a young officer found along an isolated forest road in Georgia—and whose killer may be hiding in plain sight. In "Not a Drill," Reacher tries to take some downtime, but a pleasant hike in Maine turns into a walk on the wild side—and perhaps something far more sinister. "High Heat" time-hops to 1977, when Reacher is a teenager in sweltering New York City during a sudden blackout that awakens the dark side of the city that never sleeps. Okinawa is the setting of "Second Son," which reveals the pivotal moment when young Reacher's sharp "lizard brain" becomes just as important as his muscle. In "Deep Down," Reacher tracks down a spy by matching wits with four formidable females—three of whom are clean, but the fourth may prove fatal. Rounding out the collection are "Guy Walks into a Bar," "James Penney's New Identity," "Everyone Talks," "The Picture of the Lonely Diner," "Maybe They Have a Tradition," and "No Room at the Motel." No suitcase. No destination. No middle name. No matter how far Reacher travels off the beaten path, trouble always finds him. Feel bad for trouble. Praise for *No Middle Name* "Captivating . . . classic [Lee] Child . . . This volume demonstrates what his fans already know: he's a born storyteller and an astute observer."—Publishers Weekly (starred review) "Lee Child, like his creation, always knows exactly what he's doing—and he does it well. Time in his company is never wasted."—Evening Standard

Reacher is on a Greyhound bus, minding his own business, with no particular place to go, and all the time in the world to get there. Then he steps off the bus to help an old man who is obviously just a victim waiting to happen. But you know what they say about good deeds. Now Reacher wants to make it right. An elderly couple have made a few well-meaning mistakes, and now they owe big money to some very bad people. One brazen move leads to another, and suddenly Reacher finds himself a wanted man in the middle of a brutal turf war between rival Ukrainian and Albanian gangs. Reacher has to stay one step ahead of the loan sharks, the thugs, and the assassins. He teams up with a fed-up waitress who knows a little more than she's letting on, and sets out to take down the powerful and make the greedy pay. It's a long shot. The odds are against him. But Reacher believes in a certain kind of justice...the kind that comes along once in a blue moon.

NEW YORK TIMES BESTSELLER □ BONUS: This edition contains an excerpt from Lee Child's *Bad Luck and Trouble*. In Lee Child's astonishing new thriller, ex-military cop Reacher sees more than most people would...and because of that, he's thrust into an explosive situation that's about to blow up in his face. For the only way to find the truth—and save two innocent lives—is to do it the way Jack Reacher does it best: the hard way.... Jack Reacher was alone, the way he liked it, soaking up the hot, electric New York City night, watching a man cross the street to a parked Mercedes and drive it away. The car contained one million dollars in ransom money. And Edward Lane, the man who paid it, will pay even more to get his family back. Lane runs a highly illegal soldiers-for-hire operation. He will use any amount of money and any tool to find his beautiful wife and child. And then he'll turn Jack

Read PDF The Midnight Line Jack Reacher 22

Reacher loose with a vengeance—because Reacher is the best man hunter in the world. On the trail of a vicious kidnapper, Reacher is learning the chilling secrets of his employer's past...and of a horrific drama in the heart of a nasty little war. He's beginning to realize that Edward Lane is hiding something. Something dirty. Something big. But Reacher also knows this: he's already in way too deep to stop now.

Includes an excerpt from the author's The midnight line.

#1 NEW YORK TIMES BESTSELLER * Family secrets come back to haunt Jack Reacher in this electrifying thriller from "a superb craftsman of suspense" (Entertainment Weekly). Jack Reacher hits the pavement and sticks out his thumb. He plans to follow the sun on an epic trip across America, from Maine to California. He doesn't get far. On a country road deep in the New England woods, he sees a sign to a place he has never been: the town where his father was born. He thinks, What's one extra day? He takes the detour. At the same moment, in the same isolated area, a car breaks down. Two young Canadians had been on their way to New York City to sell a treasure. Now they're stranded at a lonely motel in the middle of nowhere. The owners seem almost too friendly. It's a strange place, but it's all there is. The next morning, in the city clerk's office, Reacher asks about the old family home. He's told no one named Reacher ever lived in town. He's always known his father left and never returned, but now Reacher wonders, Was he ever there in the first place? As Reacher explores his father's life, and as the Canadians face lethal dangers, strands of different stories begin to merge. Then Reacher makes a shocking discovery: The present can be tough, but the past can be tense . . . and deadly. Don't miss a sneak peek of Lee Child's novel Blue Moon in the back of the book. Praise for Past Tense "Child is one writer who should never be taken for granted."--The New York Times Book Review "[Lee Child] shows no signs of slowing down. . . . Reacher is a man for whom the phrase moral compass was invented: His code determines his direction. . . . You need Jack Reacher."--The Atlantic "Superb . . . Child neatly interweaves multiple narratives, ratchets up the suspense (the reveal of the motel plot is delicious), and delivers a powerful, satisfying denouement. Fans will enjoy learning more of this enduring character's roots, and Child's spare prose continues to set a very high bar."--Publishers Weekly (boxed and starred review) "Another first-class entry in a series that continues to set the gold standard for aspiring thriller authors."--Booklist (starred review) "With his usual flair for succinctness and eye for detail, Child creates another rollicking Reacher road trip that will please fans and newcomers alike."--Library Journal (starred review)
