THE BRAND NEW NIGHTINGALES NOVEL BY SUNDAY TIMES BESTSELLING AUTHOR DONNA DOUGLAS *** It's Christmas, 1945. The war is over, but its scars remain. Matron Kathleen Fox has the job of putting the Nightingale Hospital back together. But memories and ghosts of those lost fill the bomb-damaged buildings, and she wonders if she is up to the task. In the name of festive cheer Kathleen decides to put on a Christmas Show for the patients. The idea is greeted with mixed feelings by the nurses, who are struggling with their own post-war problems. And the newly-formed rivalry between newcomer Assistant Matron Charlotte Davis and ward sister Violet Tanner isn't helping matters. As rehearsals begin however, it seems the show isn't just a tonic for the patients – could the Nightingale Christmas Show be just what the doctor ordered for the nurses too?

'Pay attention please, nurses. The next six months will be the most important of your lives' It's the final year of training for three young nurses at The Nightingale Hospital... Helen is at a crossroads in her life as she battles with her domineering mother over both her love life and her future career. Dora can't stop loving Nick, who is married to her best friend, Ruby. But Ruby is hiding a dark secret with the potential to destroy Ruby's marriage. Millie is anxious about her fiance, sent to Spain to cover the Civil War, and things only get worse when she encounters a fortune teller who gives her a sinister warning. With war looming in Europe, and the East End of London squaring up to the threat of Oswald Mosley's blackshirts, the women of the Nightingale have to face their own challenges, at work and in love. From the author of The Nightingale Girls and The Nightingale Sisters, this is the perfect read for fans of Call the Midwife.

Three very different girls sign up as student nurses in 1936, while England is still mourning the death of George V. Dora is a tough East Ender, driven by ambition, but also desperate to escape her squalid, overcrowded home and her abusive stepfather. Helen is the quiet one, a mystery to her fellow nurses, avoiding fun, gossip and the limelight. In fact she is in the formidable shadow of her overbearing mother, who dominates every aspect of her life. Can a nursing career free Helen at last? The third of our heroines is naughty, rebellious Millie an aristocrat on the run from her conventional upper class life. She is doomed to clash over and over again with terrifying Sister Hyde and to get into scrape after scrape especially where men are concerned. This utterly delightful novel brings a London pre-war hospital vividly to life.

As Christmas 1938 approaches, the staff at the Nightingale Hospital have their own wishes for the festive season. Ward sister Frannie Wallace is hoping she won't have to live through another war like the one that claimed her beloved fiance. But with bomb defences going up all around London, it seems as if her hopes are in vain. Staff Nurse Helen Dawson wants to find happiness again after the death of her husband Charlie. A handsome stranger seems to offer the chance she wants. But is she looking for love in the wrong place? Matron Kathleen Fox struggles to keep up morale amongst her nurses as the hospital faces the threat of evacuation. But while everyone else worries about the future of the Nightingale, it's for her own future that Kathleen truly fears. As the country prepares itself for war, one thing is for sure – by the time next Christmas comes, nothing at the Nightingale Hospital will be the same again...

To the student nurses at The Nightingale hospital, the ward sisters are heartless and frightening, with impossibly high standards. But the sisters have troubles of their own... Violet The new night sister is not all that she seems. Who is she and what dark secret is she hiding? As the mystery deepens, Sister Wren is determined to find out the truth. Dora The student nurse is struggling with her own secret, and with her heartbreak over Nick, the man who got away. A new arrival on the ward brings the chance to put a smile back on her face. But can she really get over Nick so easily? Millie Dora's fellow student is also torn between the two men in her life. But then an unexpected friendship with an elderly patient makes her question where her heart – and her future – really lies. As the nation mourns the death of King George V, it seems as if nothing is ever going to be the same again, especially for the women at the Nightingale.
