With two months to devise a better plan, Julia ' s first choice to marry her childhood sweetheart is denied. But when a titled dowager offers to introduce Julia into society, a realm of possibilities opens. However, treachery and deception are as much a part of Victorian society as titles and decorum, and Julia quickly discovers her present is deeply entangled with her mother ' s mysterious past. Before she knows what ' s happening, Julia finds herself a pawn in a deadly game between two of the country ' s most powerful men. With no laws to protect her, she must unravel the secrets on her own. But sometimes truth is elusive and knowledge is deadly.
