This fantasy novel tells the story of the conflict between beings called The Others and humans. It has been over 3000 years since The Others (called Those Above or "Lords") conquered humans and subjugated them to their rule. Those Above are human-like creatures, but they are larger and have 4 fingers instead of two.

~~Those Above: The Empty Throne Book 1~~ by Daniel Polansky

Eudokia, Machiavellian matriarch and the power behind the Empty Throne, travels to the Roost, nominally to play peacemaker - but in fact to inspire the human population toward revolt. Deep in the dark byways of the mountain's lower tiers, the urchin Pyre leads a band of fanatical revolutionaries in acts of terrorism against their inhuman oppressors.

~~Those Below: The Empty Throne Book 2~~ By Daniel Polansky

The Empty Throne has the same kind of brutality and introspective characterization that makes Polansky's Low Town trilogy so entertaining, but here with the claustrophobic, noir intensity and intrigue traded for more epic scope, ambition, and possibly even originality - as much as anything in epic fantasy can be called original anymore.
