~~The Toyota Kata Website~~ — University of  
~~Michigan~~

Teams using the improvement kata learn as they strive to reach a target condition, and adapt based on what they are learning. Toyota Kata submits that the improvement-kata pattern of thinking and behavior is universal; applicable not only in business but in education, politics, daily living, etc.. The book's underlying message is that when people practice and learn a kata for how to proceed through unclear territory, they don't need to fear the obstacles, changes and unknowns they encounter.
