British jazz is a form of music derived from American jazz. It reached Britain through recordings and performers who visited the country while it was a relatively new genre, soon after the end of World War I. Jazz began to be played by British musicians from the 1930s and on a widespread basis in the 1940s, often within dance bands. From the late 1940s British "modern jazz", highly influenced by ...

When playing a trumpet you can change the sound it produces just by how your lips vibrate when blowing-no fingers required. To produce low notes, vibrate your lips slowly; the higher the note you want to play, the quicker you will need to vibrate your lips. When you are blowing be sure not to press the mouthpiece firmly to your lips.
