Twentieth-Century Art of Latin America By Jacqueline Barnitz

Latin American Art of the Twentieth Century is a long-overdue volume in Thames and Hudson's World of Art series, known for its didactic text, fine-quality plates, and useful selected bibliography. Part of the reason for not publishing such a text in this series before, and for the general absence of books of the subject, is suggested by Edward Lucie-Smith in the introduction: "Until ...

By the late 20th century, as the realm of contemporary art became increasingly global, Latin American art entered the mainstream of international art criticism, and its artists were widely recognized, whether they lived as expatriates in New York City or Paris or exhibited in the cultural capitals of their homelands. The Internet linked the world even more than jet travel, and international museums and critics became increasingly willing to look to Latin America for upcoming artists.
