Unifying Hinduism Philosophy And Identity

Unifying Hinduism : philosophy and identity in Indian intellectual history. Drawing on the writings of philosophers from late medieval and early modern traditions, including Vijñānabhikṣu, Madhava, and Madhusudana Sarasvatī, Nicholson shows how influential thinkers portrayed Vedānta philosophy as the ultimate unifier of diverse belief systems.

Unifying Hinduism : philosophy and identity in Indian ...

Hinduism has been based on inclusiveness, the belief in Brahman, and even acceptance of Atheism since ancient times; in fact, myself and even the average Westerner who've asked questions or been curious about researching Hinduism come to believe - based on Hindu theology - that it's just separate interpretations and denominations of a unified belief and that people can take whatever interpretation they like from the Upanishads, Gītas, Vedas, and Mahābhārata to form our own interpretation.
