You May Ask Yourself gives instructors an alternative to the typical textbook by emphasizing the [big ideas] of the discipline, and encouraging students to ask meaningful questions. Conley employs a [non-textbook] strategy of explaining complex concepts through personal examples and storytelling, and integrates coverage of social inequality throughout the text.

We lead busy lives, without stopping to consider what we're doing and why we're doing it. Add how we're doing it and who we're doing it with and it creates a world of questions - questions that you'd benefit from finding the answer to. There are 52 questions that will get you thinking and taking action, and only you can answer them.

A world-wide success story, this is the first popular B-format edition of this self-help classic.This book is for people wanting a happy fulfilled life. Fun to use and very easy to read, this book gives you the necessary principles of self-help.Experienced psychotherapist Alyss Thomas has closely observed what goes wrong in people's lives and, applying the principles of psychology in a positive way, she provides you with the tools to achieve the outcomes you really desire.Each section of the book is laid out in a clear quiz format, to give you your own complete workout in such key areas of life as your personal values, anxiety, stress, time, confidence, self-esteem, relaxation, dealing with the past, depression, loss, grief, joy, creativity and happiness.You will find that you will refer back to this book many times and enjoy reading and dipping into it.

What's the secret to living a life full of passion, purpose and meaning? The secret is that there is no secret. You already have everything you need to live the life you secretly dream about. You just have to uncover the answers, and the path forward. That's what this book helps you do. When you're done reading, you'll have the answers you need, and you'll know how to take the next step toward your dream life.
